Leaving Gettysburg Curtis Crockett, 2022-02-02 In this novel of the American Civil War a disgraced Union colonel races to stop Confederates fleeing Gettysburg Pickett's charge has just ended the battle of Gettysburg is over The Confederate army is defeated and must retreat to the Potomac River forty miles away with thousands of wagons full of wounded soldiers provisions and tens of thousands of animals Asa Helms a private in the Twenty Sixth North Carolina Infantry joined the army to oppose the Yankee's invasion of his country He is torn between serving his country with honor and going home to take care of his wife who is in great need He faces a long seemingly impossible march with little food little hope and the Yankees on his heels Captain Louis Young aide to camp to Confederate General James Pettigrew is fighting to preserve a culture and a lifestyle and possible domination by the despicable Yankees The defeat at Gettysburg the horrendous condition of the army and the endless resources of the enemy are causing him to doubt the ability of the Confederacy to gain another major victory and thus independence His objective is to get the rebel army across the Potomac River to preserve it to fight another day Colonel George Gray an Irishman is colonel of the Sixth Michigan Cavalry He is hell bent on putting down the rebellion before it divides the country that has been so good to him He is neither a soldier nor an accomplished equestrian and has gotten on the wrong side of his superior General George Custer with whom he is in constant conflict He sees a chance to cut off the Confederate army and end the war before it reaches the Potomac That is where the journey ends and where each soldier must face the realities of this unnatural war

Michele Pinkney,2012-07-18 The purpose of this book is to experience and gain revelation concerning the faithfulness of God and the power of his Holy Spirit once we get into the word of God and set time aside with prayer fasting with praise and worship We must understand that God has a purpose and a plan for our lives but in order to know what that is we must get to know him and allow the worries of our lives to be turned over to God and allow the Holy Spirit to come in and comfort us and the blood of Jesus to cleanse us from our sins This book allows us to know that we are in a time where we are crying out to God concerning our health wealth and relationships these areas of our life is being attacked by the enemy and sometimes it may seem as if God is not responding to our cries The Holy Spirit is a part of our lives and he is there to intercede for us when we do not know what to say concerning our live issues Praying in our heavenly language daily and meditating on the word of God is a way that God can and will answer us when we call upon him When we are feeling left alone with sickness and disease plaguing our body and there seems to be no relief in sight for us God is our relief and the answer to the sickness and disease health wealth and relationship issues that we face through the blood of Jesus We must spend time in the word of God in order to build up our knowledge of Jesus and his promises to those that believe in him The word of God will give us revelation concerning what is required in order for us to be healed delivered and to be set free from sins and all other issues that are affecting our lives family and health Jesus promised us that greater works we should do In order for us to know our inheritance through the blood of Jesus and obtain results we must know and have a relationship with the Holy Spirit which means speaking in our heavenly language at all times Jesus loves us and his promises are sure tap into the realm of the supernatural through prayer in the Holy Spirit *A Voice in the Wilderness (Western Classic)* Grace Livingston Hill,2017-10-06 Margaret Earle a young school teacher accidentally gets down on a wrong platform and finds herself lost in the wilderness of Arizona Alone and helpless she pins her hope on a man to help her but it soon backfires and Margaret finds herself running away in sheer desperation But what will happen when her path will cross with Lance Gardley the handsome cowboy Grace Livingston Hill 1865 1947 was an early 20th century novelist and wrote both under her real name and the pseudonym Marcia Macdonald Hill s messages in her works are simple in nature good versus evil As Hill believed that the Bible was very clear about what was good and evil in life and had firm faith God s ability to restore everything the same belief was also reflected in her own
