SPM Speaking Practice 1

Part 1

Phase 1

Teacher to assess.

Phase 2

Teacher to assess.

Part 2

Task 2A

Suggested response:

Candidate A: An emergency that I have experienced was when I almost set the kitchen on fire two years ago. It was my mother's birthday and I wanted to surprise her by cooking her a meal. I was alone in the house as my parents and brother went out to get my mother a gift. I made beef stew and was waiting for the dish to simmer. Unfortunately, I fell asleep. I woke up to the smell of smoke and quickly rushed to the kitchen. The pot was on fire! To make matters worse, the oven mitt which I had placed close to the stove was on fire too! I tried to put out the fire by splashing jugs of water but it just got bigger. So I had to call the fire department. My parents came home just as the firemen finished putting out the fire. My mother took one look at her blackened kitchen cabinet and stove and almost cried. That was indeed an unforgettable birthday for her. I have also stopped cooking since.

Candidate B: Well, mine is not as dramatic as Candidate A's, thankfully. It was when my cat climbed up the roof and did not know how to get down. I think it happened sometime last year. My dad climbed up a ladder and tried to reach it but it was too afraid to come closer. We even laid a bedsheet and tried to coax it to jump. All to no avail. In the end, we had to call the fire department too!

Task 2B

Candidate B: A place that I would like to visit is the Moway Forest in Mount Brinchang, Cameron Highlands. I have always liked nature, but Moway Forest has that added mysterious element because it is surrounded by mist due to its elevated location. The forest is blanketed with moss too, and is home to huge, ancient trees and lots of unique flora and fauna. I have seen pictures of it and it looks magical! It reminds me of the forest in The Lord of the Rings. If I ever get a chance to go there, I would like to get a guide so that I could learn more about the history as well as the numerous species found there. I would also take as many pictures as possible because I'm sure the place would be beautiful. I would like to go there with my father because we both like to hike and we both enjoy nature. I'm sure we'll have a marvellous time.

Candidate A: I would like to visit Mahal Island because I'm fascinated with underwater creatures. I hear the island is one of the top diving spots not only in Malaysia, but the world. The water is crystal clear, and it has many rare aquatic species too. Aside from that, it has pristine beaches which would be perfect for a family holiday.

Part 3

Task 3

Candidates: Both students should talk about the six reasons that are on the mind map and what they think of each of them. Then, the candidates must discuss and choose the most common problem teenagers face. They should also provide reasons for choosing the item. Candidates should use language functions to show giving opinions, persuasion and affirmation or disagreements.

Further discussion task

Both students should talk about what teenagers can do when they are faced with problems. Who should they go to? Candidates should give their opinions using language functions to show giving opinions, opening a discussion, progressing with a discussion and closing a discussion.

Phase 2

Teacher to assess.

Part 2

Task 2A

Suggested response:

Candidate A: A celebration that was held at my school was the Teachers' Day celebration. A week earlier, the head prefect called a meeting of all the prefects and planned an assembly on Teachers' Day to show our appreciation for all the things the teachers have contributed to our lives. As a school prefect, it was my duty to decorate the hall and stage for the event. During the assembly, we had the usual flow of the national anthem, the pledges by the teachers followed by a very inspiring speech from the head prefect. She talked about how our teachers delivered inspiring and interesting lessons that gave us important lessons of knowledge and values, which would affect the way we live our life in our society in the present as well as in the future. The headmaster also congratulated the organising committee on the great programmes to honour the teachers. Later, with the rest of the teachers who were seated on the stage, he cut the cake which was in the shape of a book. We clapped our hands hard in applause. Then the teachers were treated to a recitation of a poem by a student. After the assembly, a party was held out for all the teachers. I really enjoyed myself as there were no lessons on that day. Schools should organise celebrations because it will strengthen the bond between teachers and students as well as among students.

Candidate B: The recent celebration that was held at my school was the Hari Raya celebration. I had a lot of fun as I took part in the dance performance and it was my first time wearing a *hijab kebaya*.
