A Ride Home:

A Fighting Chance Patti Witter,2013-06-07 This is the story of a perfect quarter horse filly named Cricketts Rose a calm natured gelding named Red a disabled owner who couldn t even have them in her name Amanda and a million dollar race that Cricketts Rose knows she is meant to win Red and Amanda never doubt Cricketts Rose of course Now Cricketts Rose and Red would want you to know that the only thing that isn t fiction in this novel is what good horses they really were What happened to Cricketts Rose s mother and a little of what it is like to be disabled poor and trying to have something There are good looking cowboys dancing and that kind of stuff in the story too Cricketts Rose and Red reckon that the amateur writer who is writing their story would be me Patti Witter a k a Amanda The novel is set from September 16 1983 to September 16 1984 when Cricketts Rose turned two You won t believe what can happen in a year s time Did she win Are you kidding I wrote the story Michiganensian ,1991 The Michael Francke Murder Mystery - Solved? Jonathan G. Rudy,2006 This book was written in an effort to expose corruption in the government and to free an innocent man Francke was the head of the Prison system He discovered a ring which was stealing millions of dollars annually He was set to testify before the legislature He was murdered on the eve of that event And the top people in government were in on the conspiracy to convict Frank Gable Now more than sixteen years later Jonathan Rudy enlists his extreme intellect to solve this case And his solution is shocking This is a must read for all sleuths How can the government become so evil Truth as they say is stranger than fiction **"Tell Me a Little Bit About Yourself"** Travis Hanson,2012-01-13 During one of his many failed job interviews Travis Hanson panics after the employer asks him Tell me a little bit about yourself and ends up answering the question by telling his entire life story From being kidnapped at age three through being abused on different occasions through being homeless for a year through incessant social awkwardness to learning how to deal with it all without the aid of any therapy drugs or alcohol He reveals every significant event both good and bad that has made him who he is today and is shockingly open and honest about telling all of this to a complete stranger Life is full of ups and downs that s just life And whether we view them as positive or negative events happen in our lives only when we are ready for them to happen and not a second sooner It s not all about what happens to us it s about how we react to those events that matters the most
