A Selection Of Poems:

Thomas Hardy Tim Armstrong, 2018-10-08 In Thomas Hardy Selected Poems Tim Armstrong brings together over 180 poems in the first comprehensively annotated selection of Hardys poetry Unlike most previous selections this edition preserves the shape of the poets career by presenting the poems in the order in which they appeared in the Collected Poems of 1930 rather than re ordering them thematically Head notes to each poem give the reader information about its composition publication sources and metrical scheme on the page notes list significant variants in Hardys manuscripts point out literary and other allusions and give explanatory glosses An appendix contains a selection of relevant passages from Hardys notebooks letters and autobiography and a bibliography suggests further reading Tim Armstrongs critical Introduction discusses Hardys career his poetics his use of memory and allusion and examines his position in the context of Victorian debates on aesthetics and belief The generous selection of poems includes many lesser known poems as well as those which have received most critical commentary and the important elegiac sequence Poems of 1912 13 is included in its entirety

Selected Poems Robert Bloomfield, 2007 Despite his literary successes publishing six volumes of poetry a play and a children s book Robert Bloomfield never escaped from poverty or anxiety and died early and in distress This penniless history supports the description of Bloomfield as the most successful of the self taught peasant poets of the Romantic period and underscores the incredible odds that any of his writings should be discovered at all This selection of Bloomfield s poems was originally published in 1998 and was the first scholarly edition of his work Bloomfield believed that his patron Capel Lofft had altered the text excessively and so this edition has completely restored Bloomfield s own much fresher text from the autobiographical manuscript at Harvard University Revised and enlarged this version also includes a selection of Bloomfield s prose prefaces and explanatory notes a chronology of his life and a list of further reading

Selected Poems Hélène Aji, Jennifer Kilgore-Caradec, 2013-01-16 Complete poems are bulky and too heavy to carry around Collected poems pretend to be complete but usually are not Selected poems are altogether unpretentious and reader friendly But they can be problematic Who decides what poems are important for inclusion in a volume of selected poems When the selection occurs during the author s lifetime may one assume that the author was involved What motivates the choice of one poem over another How do readers preferences influence this choice How do new readers and familiar readers of a poet negotiate the poems that are left out of the selection The essays in this volume address these questions in a variety of ways and also provide an overview of poetic writing from modernist poets to the present day using selections from the 1940s until now They offer new insight into the uses both pedagogical and critical of selection Because Selected Poems usually address a large general public these essays have also been written for all those who wish to know more about how these slimmer more attractive volumes are produced

Selected Poems Tony Harrison, 1984 A revised edition of Tony Harrison s award winning Selected Poems This indispensable new selection of Tony Harrison s poems includes over sixty poems from his famous sonnet

sequence The School of Eloquence and the remarkable long poem v a meditation in a vandalized Leeds graveyard which caused enormous controversy when it was broadcast on Channel 4 in 1987 and is now regarded as one of the key poems of the late twentieth century This substantially revised and updated edition now also features a generous selection of Harrison s most recent work including the acclaimed poems he wrote for the Guardian on the Gulf War and then from the front line in the Bosnian War which won him the Wilfred Owen Award for Poetry in 2007 Selected Poems is a collection to be savoured by fans of Carol Ann Duffy Seamus Heaney Simon Armitage and Sophie Hannah A voracious appetite for language Brilliant passionate outrageous abrasive but also as in the family sonnets immeasurably tender Harold Pinter In the front rank of contemporary British poets Harrison s range is exhilarating his clarity and technical mastery a sharp pleasure Melvyn Bragg The poem v is the most outstanding social poem of the last twenty five years Seldom has a British poem of such personal intensity had such universal range Martin Booth Poems written in a style which I feel I have all my life been waiting for Stephen Spender A poet of great technical accomplishment whose work insists that it is speech rather than page bound silence Sean O Brien The Oxford Companion to Twentieth Century Poetry New Selected Poems 1966-1987 Seamus Heaney,2009-02-19 This volume contains a selection of work from each of Seamus Heaney s published books of poetry up to and including the Whitbread prize winning collection The Haw Lantern 1987 His is close up poetry close up to thought to the world to the emotions Few writers at work today in verse or fiction can give the sense of rich fecund lived life that Heaney does John Banville More than any other poet since Wordsworth he can make us understand that the outside world is not outside but what we are made of John Carey **'Attar: Selected Poems** , Selected Poems Dannie Abse,1970 A selection of poems taken from five books published between 1949 and 1970 **Selected Poems** Victor Hugo,2013-05-13 This generous varied selection of poems by one of France s best loved and most reviled poets is presented with facing originals detailed notes and a lively introduction to the author s life and work Steven Monte presents more than eighty poems in translation and in the original French taken from the earliest poetic publications of the 1820 s through collections published during exile to works published in the years following Hugo s death in 1883 The introduction provides helpful background information about Hugo s life and work the selection and what is involved in translating a poet whose effortless rhymes are central to the poetry s power Detailed notes at the back of the volume offer information about the poems and their publishing and historical contexts This is an ideal introduction to a poet whose work for all its renown remains for Anglophone readers undiscovered Selected Poems Victor Hugo,2002-02-26 For most of his life Victor Hugo 1802 1885 was the most famous writer in the world His legacy includes the nineteenth century s most celebrated works of drama fiction memoir and criticism But in his day Hugo was know foremost as a poet indeed the greatest French poet of the age He wrote with passion about history erotic experience familial love philosophy nature social justice art and mysticism In this new bicentennial edition acclaimed poet and translator Brooks Haxton offers an exquisite selection of Hugo s finest work love poems historical

tableaux elegy and idyll including his incomparable Boaz Asleep which Marcel Proust praised as the most beautiful poem of the nineteenth century For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Selected Poems Du Bellay, Ronsard, 2023-07-11 Live now and listen do not wait in vain Until tomorrow pluck life's rose today Joachim du Bellay and Pierre de Ronsard are two of the major sixteenth century French poets and leaders of the extraordinary group known as La Pléiade Determined to create a national vernacular literature the Pléiade poets profited from an intense study of Greek and Roman models and from a creative use of classical mythology to produce a body of verse that reflects the vigour and variety of European Renaissance culture Du Bellay broke new ground with the gritty realism and resentment of the *Regrets* and with his meditation in the *Antiquities* on the rise and fall of the Roman Empire In a series of sonnet sequences *Cassandre Marie Astrée* and *Le hâvre* Ronsard developed the Petrarchan tradition of love poetry with a wider range of situations a richer imagery and more robust sensuality His reputation as France's greatest love poet should not however obscure his excellence in an astonishing variety of forms and genres such as elegies odes philosophical hymns and religious controversy Anthony Mortimer's verse translations cover this many faceted achievement in a version that functions as English poetry in its own right without departing from the letter and spirit of the original The French text is given on facing pages and a useful appendix contains extracts from seminal manifestos by the two poets A critical introduction a glossary of names and places and abundant notes encourage the reader to place the poems in their social and cultural context

ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
