Finding Home Colleen Johnson,2023-01-07 This book takes a unique approach to the idea of soul care by comparing it to the concept of home When we allow Jesus to do a transformational work in our souls to give us the feeling of home loved secure nourished accepted and healing every day When we make it a practice to cultivate Jesus presence within us we will feel at home in our inner being instead of being spiritually and emotionally homeless When we cultivate the presence of Jesus

and work through key soul care principles and develop a rhythm of practices that incorporate the spiritual disciplines of feeding on God's Word, worship and thanksgiving, listening, prayer, praying scripture and times of fasting and solitude. It leads our soul home. These practices create an atmosphere that God uses to fill us with more of Himself and His ways. The more of God we have, the more He guides us to tear down walls of self-protection, find the truth of who we are in Christ and defeat the attacks of our enemy Satan so that we start walking more as Jesus walked. This process brings our soul to the home where it belongs.

Legislation 75 Fred M. Weitz, 2007-10 Jon Smith keeps a diary of stories concerning the hotly debated Legislation 75 which mandates death for all people by lethal injection on their seventy-fifth birthdays. The topic hits close to home when Jon receives his first invitation to a going away party from his new friend Bennie. Following Bennie's state-mandated death, Jon walks daily with his dog and regularly encounters Bennie who is in another dimension. Bennie reveals to Jon that he had participated in the government's covert Fountain of Youth Project which has shown that certain manipulations of body chemistry and cellular structure slow the human aging process to a crawl. Public exposure of the project is forbidden due to the financial impact it would have on the pharmaceutical industry, but Jon is compelled to find a way to bring the Fountain of Youth Project to the public eye. This thought-provoking novel examines the implications of government-dictated termination and the many physical, emotional and spiritual considerations of a mandated end to life, however vibrant at age seventy-five. It explores how we age, what truly constitutes quality of life and where people find meaning and purpose.
