A Text From Heaven:

Heaven's Purge Isabel Moreira, 2010 *Heaven's Purge* traces purgatory's roots in the texts and debates of late antiquity. Illuminating the varied perspectives on post mortem purgation in late antiquity, Isabel Moreira challenges the conclusions of recent scholarship through an examination of the texts, communities, and cultural ideas that informed purgatory's early history.

The Mysticism of Hebrews Jody A. Barnard, 2012 Revised thesis Ph D Bangor University North Wales 2011

Heaven's Gate George D. Chryssides, 2011 *The Heaven's Gate* suicides were part of a series of major violent incidents involving New Religions in the 1990s. Despite the major attention that Heaven's Gate attracted, there have been few scholarly studies. This anthology on Heaven's Gate includes a combination of articles previously published in academic journals, some new writings from experts in the field, and some original Heaven's Gate documents. All the material is expertly brought together under the editorship of George Chryssides.

Opening Heaven's Door Patricia Pearson, 2014-05-13 The first book by a respected journalist on Nearing Death Awareness, similar to Near Death Experience, this fascinating Kirkus Reviews exploration brings humor, sympathy, and keen critical intelligence to a topic that is all too often off-limits. Ptolemy Tompkins, collaborator with Eben Alexander on *Proof of Heaven*, "People everywhere carry with them extraordinary, deeply comforting experiences that arrived at the moment when they most needed relief when they lost a loved one. These experiences can include clear messages from beyond, profound and vividly beautiful visions, mysterious connections, and spiritual awareness, foreknowledge of a loved one's passing, all of which evade explanation by science and logic. Most people keep these transcendent experiences secret for fear they will be discounted by hyper-rational scrutiny. Yet these very common occurrences have the power to console, comfort, and even transform our understanding of life and death. Prompted by her family's surprising, profound experiences around the death of her father and her sister, reporter Patricia Pearson sets out on an open-minded inquiry, a rare journalistic investigation of Nearing Death Awareness, which Anne Rice praises as substantive, eloquent, and worthwhile. *Opening Heaven's Door* offers deeply affecting stories of messages from the dying and the dead in a fascinating work of investigative journalism, pointing to new scientific explanations that give these luminous moments the importance felt by those who experience them. Pearson also delves into out-of-body and near-death experiences, examining stories and research to make sense of these related but distinct categories, challenging current assumptions about what we know and what we are still unable to explain. *Opening Heaven's Door* will forever alter your perceptions of the nature of life and death."

Where Airy Voices Lead Piotr Bienkowski, 2020-05-29 Many have pursued and continue to pursue real immortality by seeking to prolong their lives on this earth. Others pursue symbolic or proxy immortality through children, fame, or being part of something long-lasting. One can imagine these different forms of immortality as a menu of options of how to live forever; you click the one that appeals to you most and best fits your beliefs, hopes, values, and worldview.

Lessons from Heaven's Borderland Bill French, 2005-10 *The Apocryphal Sunday* Uta Heil, 2023-10-17 A range of

apocryphal and pseudepigraphic texts from Late Antiquity points to the importance of Sunday as a holiday for baptized Christians First and foremost is the so called Letter from Heaven which has experienced a broad and long lasting reception up to modern times although it was also criticized as a forgery from its beginning Unfortunately these texts have not received sufficient attention so far This volume presents various versions of the Letter from Heaven as well as other texts the pseudepigraphic Acts of the Synod of Caesarea pseudepigraphic sermons of Eusebius of Alexandria John Chrysostom and Basil of Caesarea passages from the Didascalia or Diataxis of Jesus Christ the Second Apocryphal Apocalypse of John the Visio Pauli a sermon of Sophronius of Jerusalem and the Apocalypse of Anastasia together with a translation and commentary An introduction tells the story of this letter and integrates it and the other texts into the cultural history of Sunday It becomes clear that Sunday as a day of rest and a feast day was not in the foreground of the development of an ecclesiastical festival calendar for a long time although Emperor Constantine enacted a law on holiday rest on Sunday in 321 CE Sunday rather marks the end of the Christianization of time and the calendar when Easter Pentecost Christmas and martyrs feasts were already taken for granted The authors of these texts obviously wanted to accelerate this process which is why an anonymous person even resorted to presenting Christ himself as the author of this letter Here severe punishments are threatened to all who do not observe Sunday who work as if it were a weekday and who skip worship The broad tradition shows that the letter was read and distributed despite all the criticism and was even turned into an early form of a chain letter

Sword Knocks on Heaven's Gate Robin Reed,2004-10-04 The ill fated Jinxiu was reborn in the 1980s gained space abused the extreme and vowed to send all the enemies of the previous life to prison

The Fate of the Dead Richard Bauckham,2014-04-09 These studies focus on personal eschatology in the Jewish and early Christian apocalypses The apocalyptic tradition from its Jewish origins until the early middle ages is studied as a continuous literary tradition in which both continuity of motifs and important changes in understanding of life after death can be charted As well as better known apocalypses major and often pioneering attention is given to those neglected apocalypses which portray human destiny after death in detail such as the Apocalypse of Peter the Apocalypse of the Seven Heavens the later apocalypses of Ezra and the four apocalypses of the Virgin Mary Relationships with Greco Roman eschatology are explored Several chapters show how specific New Testament texts are illuminated by close knowledge of this tradition of ideas and images of the hereafter

Handbook of Chinese Mythology Lihui Yang, Deming An,2008 Compiled from ancient and scattered texts and based on groundbreaking new research Handbook of Chinese Mythology is the most comprehensive English language work on the subject ever written from an exclusively Chinese perspective This work focuses on the Han Chinese people but ranges across the full spectrum of ancient and modern China showing how key myths endured and evolved over time A quick reference section covers all major deities spirits and demigods as well as important places mythical animals and plants and related items
