A Very Private Diary A Nurse In Wartime English Edition:

A Very Private Diary Mary Morris, 2014-06-12 The newly discovered diary of a wartime nurse a fascinating dramatic and unique insight into the experiences of a young nurse in the Second World War I always seem to be saying good bye to men whom I might have loved had there been enough time 1939 18 year old trainee nurse Mary Mulry arrives in London from Ireland hoping for adventure Little did she know what the next seven years would bring In her extraordinary diary published now for the first time Mary records in intimate detail her life as a nurse both on the Home Front and on the frontline From nursing children during bombing raids in London to treating Allied soldiers in Normandy Mary s experiences gave her vivid and unforgettable material for the private diary she was dedicated to keeping Filled with romance glamour and inevitably sadness too these are the rich memories of an irrepressible personality living through the turbulent years of the Second World War

A Very Private Diary Mary Morris, 2015-11-15 1939 Mary Mulry was eighteen years old when she arrived in London from Ireland to begin training as a nurse She had hoped for an adventure and a new start she could not have predicted what the next seven years would bring In this extraordinary diary Mary recorded in intimate detail her experiences as a nurse on the Home Front and later working on the frontline in Europe In Normandy she tended to Allied soldiers and German prisoners of war In war torn Belgium she witnessed harrowing casualties from the Battle of Arnhem Yet romance glamour and adventure were never far away for Mary

Britain and Ireland from the Treaty to the Troubles Richard Carr, 2025-03-07 Using extensive and fresh archival material this book places the relationship between the United Kingdom and Ireland after 1921 in a new light encouraging us to rethink the dominant narrative of conflict and strife While the work does not shy away from the clear points of dispute it contends that these were far from the full story Clearly partition and the Troubles seen from the late 1960s onwards cast a long shadow but disputes over Northern Ireland must be placed alongside those successes seen elsewhere Unpacking a variety of topics including trade tourism the treatment of tuberculosis and migration this work covers new ground in social and political history It balances an analysis of high politics Cosgrave and de Valera on the one side and Baldwin and Attlee on the other with the actions of ordinary people nurses doctors sports fans and labourers The British Irish story is also placed in a wider context through comparison with both countries dealings with America and an outline of their coordinated entry into the European Economic Community This study will be an ideal resource to both

students and all those wishing to consider and re examine the fate of the United Kingdom Ireland and the British Empire

Living War, Thinking Peace (1914-1924) Bruna Bianchi, Geraldine Ludbrook, 2016-04-26 This volume is the result of a long commitment of the online journal DEP Deportate esuli profughe to the themes of women pacifists thought and activism in the 1900s The volume is a collection of contributions centred around three main themes The first part Living War Women s Experiences during the War brings together first hand accounts from women s lives as they face the horrors of war drawn mainly from original sources such as diaries letters memoirs and writings The second Thinking Peace Feminist Thought and Activism explores the lives and thought of several key women activists who challenged inequalities and sought to create new opportunities for women contributing to the definition of a transnational culture of peace The final section International Relations Toward Future World Peace examines the work of a group of women who saw the outbreak of the First World War and the emergence of an international women s movement for peace as an opportunity to act for their personal emancipation and in some cases for a different idea of politics The volume fills a notable gap in international history studies providing a selection of contributions from little known European contexts such as Italy Poland and Austria The presence and contribution of African American women which has been neglected in the history of women s pacifism is also explored Particular attention is given to the Women s International League for Peace and Freedom and to the International Congress of Women held in The Hague in 1915

The Selected Writings of Maurice O'Connor Drury Maurice O'Connor Drury, 2018-11 Maurice O Connor Drury was among Wittgenstein s first students after his return to Cambridge in 1929 The subsequent course of Drury s life and thought was to be enormously influenced by his teacher The Selected Writings of Maurice O Connor Drury brings together the best of his lectures conversations and letters on philosophy religion and medicine Central to the collection is the Danger of Words the 1973 text described by Ray Monk as the most truly Wittgensteinian book published by any of Wittgenstein s students Through notes on conversations with Wittgenstein letters to a student of philosophy and correspondence of almost 30 years with Rush Rhees Drury gives shape to what he had learned from Wittgenstein Whether discussing philosophy Simone Weil or the power of hypnosis he makes fascinating excursions into the bearing of Wittgenstein s thought on philosophy and the practice of medicine and psychiatry Alongside a foreword by Monk and an introduction presenting a new biography of Drury analysing the relationship between him and Wittgenstein this collection features previously unpublished archival sources Beautifully written and carefully selected each piece reveals the impact of Wittgenstein s teachings shedding light on the friendship and thinking of one of the most important philosophers of the 20th century

Mixing It Wendy Webster, 2018-02-02 During the Second World War people arrived in Britain from all over the world as troops war workers nurses refugees exiles and prisoners of war chiefly from Europe America and the British Empire Between 1939 and 1945 the population in Britain became more diverse than it had ever been before Through diaries letters and interviews Mixing It tells of ordinary lives pushed to extraordinary lengths Among the stories featured are

those of Zbigniew Siemaszko deported by the Soviet Union fleeing Kazakhstan on a horse drawn sleigh and eventually joining the Polish army in Scotland via Iran Iraq and South Africa and Johnny Pohe the first Maori pilot to serve in the RAF who was captured and eventually murdered by the Gestapo for his part in the Great Escape This is the first book to look at the big picture of large scale movements to Britain and the rich variety of relations between different groups When the war ended awareness of the diversity of Britain's wartime population was lost and has played little part in public memories of the war Mixing It recovers this forgotten history It illuminates the place of the Second World War in the making of multinational multiethnic Britain and resonates with current debates on immigration

A Bloody Victory Dan Harvey, 2020-05-11 Post D Day with the Allies on the newly created Second Front driving fast eastwards beyond Paris and the Russians on the Eastern Front pressing westwards the fervour of the fanatical Fascist Nazi Regime remained undiminished For the Third Reich it was intolerable to believe that they must now concede Instead of ending the war and suing for peace the levels of hostility hatred and horror heightened and the brutality viciousness and terror increased The resistance to the Allied advances across Europe first towards then within Germany intensified and every inch of the Fatherland was bitterly contested With the Allies in their thousands were the Irish A Bloody Victory unearths these people from the corners of Irish history and transports them back to the D Day beaches and the bridge at Arnhem to the frozen landscapes at the Battle of the Bulge the banks of the River Rhine to the unimaginable horrors of Bergen Belsen and Buchenwald concentration camps and finally to the ruinous Battle of Berlin There was no one individual Irish narrative in the Second World War but there was a narrative of Irish Individuals and in A Bloody Victory Dan Harvey pays due tribute to their significant contribution

A Bloody Summer Dan Harvey, 2020-07-06 The Battle of Britain regarded by historians as one of the greatest air battles in the history of warfare was an early turning point in the Second World War In the summer of 1940 the German army had with astonishing speed mercilessly swept aside all before them and were perched on the northern coastline of France Outright victory over all of Europe was impeded only by the expanse of the English Channel The supremely confident yet to be defeated Luftwaffe German Air Force were eager for continued action to claim air superiority and victory over an outnumbered RAF and clear the skies for the amphibious invasions of Britain and Ireland It was vital that the RAF deny them and so a ferocious and highly strategic aerial battle began that was to rage for more than three months Among those in the RAF's Spitfire and Hurricane fighter squadrons were Irishmen who were in the thick of the aerial exchanges daring dog fights and intrepid interceptions of German bombers A Bloody Summer The Irish at the Battle of Britain for the first time tells the true and full story of their heretofore underestimated involvement in this epic aerial encounter

A Bloody Dawn Dan Harvey, 2019-04-22 The epic Allied invasion of German occupied Normandy on D Day 6 June 1944 has been extensively chronicled The largest seaborne invasion in history it began the liberation of German occupied France and later Europe from Nazi control laying the foundations of the Allied victory on the Western Front What is less well known however is that

thousands of Irish and members of the Irish diaspora were among the Allied units that landed on the Normandy beaches. Their vital participation has been overlooked abroad and even more so in Ireland. There were Irish among the American, British and Canadian airborne and glider borne infantry landings. Irishmen were on the beaches from dawn in and amongst the first and subsequent assault waves to hit the beaches in the skies above in bombers and fighter aircraft and on naval vessels all along the Normandy coastline. They were also prominent among the D Day planners and commanders. This Irish contribution to the most extraordinary military operation ever attempted in the history of warfare is at last told for the first time in *A Bloody Dawn: The Irish at D Day*.
