100 Ideas for Early Years Practitioners: Observation, Assessment & Planning Marianne Sargent,2018-05-03 100 Ideas for Early Years Practitioners Observation Assessment Planning is not only filled with easy to implement and practical ideas for the early years classroom but it also demonstrates why assessment is an important formative tool to help further children s learning In this book early years expert and experienced author Marianne Sargent explains the cycle of observation assessment and planning with advice on how to carry out different types of observation guidance on how to make effective use of observations to assess children s knowledge and understanding and explanations for how to use this information to inform future planning The book also offers ideas on how to carry out summative assessments as well as how to organise assessment information for reporting purposes With the ever increasing focus on observation assessment and planning in the early years this book is a must have for all practitioners looking to effectively introduce all three into their setting while still ensuring the children in their care are in an environment where they can be confident feel supported and still have fun as they grow and learn *Forms of Knowledge* Lucy Campbell,2025-05-16 Human knowledge as we understand it in the everyday appears to make up a complex category admitting of numerous forms species modes or variations Reflection on this complexity reveals a whole ecosystem of questions and issues worthy of careful philosophical investigation Yet contemporary epistemology tends to downplay the heterogeneity of knowledge in part through its distinctively narrow focus primarily on receptive propositional knowledge and in part through a tendency to assume rather than to investigate the perfectly general applicability of the various definitions of knowledge it develops Against this background many questions and issues concerning the heterogeneity of knowledge remain under explored This volume identifies the study of the unity and heterogeneity of knowledge as a distinct subtopic of epistemology It asks what forms of knowledge there are what is distinctive about each how they relate to one another and what kind or kinds of unity we can discern unity amongst them *Forms of Knowledge* brings together philosophers working across a broad range of the philosophical literature not only in contemporary theory of knowledge but also in the history of philosophy the epistemology of understanding philosophy of mind action theory ethics art and aesthetics and philosophy of psychiatry to consider how best to theorize the unity and heterogeneity of knowledge By foregrounding this underexplored set of issues it offers a new perspective on some of the

most central of our ordinary epistemological categories

Jamaican Speech Forms in Ethiopia Rosanna

Masiola, 2015-04-01 This book is the first systematic cross disciplinary survey on the use of Jamaican English in Ethiopia describing the dynamics of language acquisition in a multi lectal and multicultural context It is the result of over eight years worth of research conducted in both Jamaica and Africa and is a recognition of the trans cultural influence of the Repatriation Movement and other diasporic movements The method and materials adopted in this book point to a constant spread and diffusion of Jamaican culture in Ethiopia This is reinforced by the universalistic appeal of Rastafarianism and Reggae music and their ability to transcend borders The data gathered here focus on how an Anglophone based Creole has developed new speech forms and has been hybridized and cross fertilized in contact situations and by new media sources The book focuses on the use of Jamaican English in four particular domains namely school street family and the music studio Its findings are drawn from an exceptional range of sources such as field work and video recordings interviews web mediated communication artistic performance and relevant transcriptions These sources highlight five topics of relevance language acquisition and choice English and Jamaican speech forms hegemonic and minority groups Rastafarian culture and Reggae music which are explored in further detail throughout the book These salient features in turn interface with the dynamics of influencing factors reinforcing circumstances significance and change The book represents a journey to the extreme outer circle of English language use following a circular route away from Africa and back again with all the languages used and lost along the slavery route and inside the plantation complex developing into creolized speech forms and Creoles Such language use is now making its way back to Africa with all the incendiary creativity of Reggae and resonant with Rastafarian language
