 presents to you this meticulously collection of hundreds of life stories recorded interviews and incredible vivid testimonies of
 former slaves from the American southern states including photos of the people being interviewed and their extraordinary
 narratives After the end of Civil War in 1865 more than four million slaves were set free There were several efforts to record
 the remembrances of the former slaves The Federal Writers Project was one such project by the United States federal
 government to support writers during the Great Depression by asking them to interview and record the myriad stories and
 experiences of slavery of former slaves The resulting collection preserved hundreds of life stories from 17 U S states that
 would otherwise have been lost in din of modernity and America s eagerness to deliberately forget the blot on its recent past
