A Technical Manual For Independent Contractors:

Hit Man Rex Feral,1983 Rex Feral kills for hire Some consider him a criminal Others think him a hero In truth he is a lethal weapon aimed at those he hunts He is a last recourse in these times when laws are so twisted that justice goes unserved He is a man who feels no twinge of guilt at doing his job He is a professional killer Learn how a pro gets assignments creates a false identity maizes a disposable silencer leaves the scene without a trace watches his mark unobserved and more Feral reveals how to get in do the job and get out without getting caught

The First Amendment and Civil Liability Robert M. O'Neil,2001-11-22 The First Amendment and Civil Liability Robert M O Neil A well known First Amendment advocate explains the new threats to free expression posed by damage suits This book explores a highly contentious set of issues involving freedom of speech and press Until very recently publishers and producers have assumed that with a few exceptions like libel freedom of expression was absolute and safe from civil liability in the form of damage awards In the late 1990s these complacent assumptions were sharply challenged The case of the Hit Man Manual signaled the shift After a hired assassin had been convicted of a brutal murder in a Washington D C suburb it turned out he had used a book that contained graphic detailed instructions on how to carry out an execution When the family of the victims sued the publisher for wrongful death a federal appeals court ruled that the book was not protected speech since its apparent purpose was to facilitate murder The publisher was thus for the first time potentially liable for criminal acts committed by a reader of one of its books Later cases especially a suit against Natural Born Killers producer Oliver Stone have invoked this ruling in seeking to impose liability on those who create and distribute material that causes others to inflict injury or death Noted First Amendment scholar Robert M O Neil looks at seven areas where free expression is now at risk of incurring civil liability libel and slander including a separate analysis of libel on the Internet privacy paparazzi and others who intrude defective or dangerous products incitement the claim of a link between speech and criminal acts as in the Natural Born Killers case advertising news gathering for example the Food Lion ABC Primetime Live case and threats and incitement on the Internet as in the anti abortion Nuremberg website case O Neil s clear exposition and analysis illuminate the issues for a broad range of readers concerned about a host of new threats to and the limits of free expression
