A Seed For Cora Lee:

A Seed for Cora Lee Leamon Scott,2011-10-13 A Seed for Cora Lee is Leamon s first endeavor into long range writing He creatively poured his soul into telling the story in such a manner that the reader will want to know what s next The plot is quickly moved along with many riveting events to pull the reader into the forefront of ever changing malevolent scenes while spine tingling visualizations leap from the pages Layered with supportive subplots the perpetual concept of good versus evil is convoluted by supernatural events that carry the reader on a psychological adventure filled with uncertain doubt and obstinate skepticism Finally the reader is left to evaluate his or her own ability to cope and manage the ideologies presented in this story particularly in the context of our ever fragile and evolving human existence **A Seed for Cora LEE** Leamon E Scott,2021-01-27 NEW ORLEANS LATE 1960 SCora Lee Baptiste a beautiful Creole woman with dreams of growing a family with her loving husband Leon screams out in her sleep during a recurrent nightmare Before leaving for work as a shrimper Leon and Cora Lee make love in their modest bayou cabin with the hope of her conceiving However their plans are greatly altered when on that wet and stormy New Orleans morning she crosses paths with escaped prisoner Colin Cyrus a psychotic triple murderer on the run Colin brutally rapes Cora Lee and kills Leon before he is shot by a pursuing Detective Raleigh Spencer But things get all the more despairing for the stunned Cora Lee The rape or their morning lovemaking may have resulted in a pregnancy yet the baby Cora Lee always wanted may not be hers to keep And when New Orleans is thrust into a quagmire of absolute evil and suspenseful encounters with the supernatural a determined and guilt ridden Detective Spencer seeks to decipher the message being sent from beyond the grave Finally a question of faith arises for many as they seek to overcome the shroud of darkness that has enveloped their lives A Seed for Cora Lee Leamon E. Scott,2011-04 The bayous of New Orleans birth many supernatural stories some are forgotten one never dies Jacket **A Time for Growing** Carla Day,2019-06-10 Joe Lee lives in Lone Pine Kentucky with his grandmother and his little sister Verilee When the new pastor Parson Reeves comes to town he is met with disapproval from some members of Lone Pine Community Church Miss Lytle the school marm returns to Lone Pine in September Among Joe Lee s schoolmates is Coralee Jones a thorn in Joe Lee s side and her sister Delia who is jealous of Joe Lee Additional conflict is provided by local troublemakers Deak and Sloan Pettit Disgruntled because Parson Reeves foils their attempts to disturb meetings they set fire to the church While trying to rescue Verilee during a storm Joe Lee is struck by lightning After lying near death for a week he finally regains consciousness While Parson Reeves helps Joe Lee regain his strength Miss Lytle comes after school to give him his lessons Then Miss Lytle suddenly leaves town amid rumors that she is with child and folks are quick to point the finger at Parson Reeves During a meeting to get the truth Joe Lee delivers a scathing rebuke to the people of Lone Pine Sprouting Seeds Jamila D. Smith,2008-08-08 Cora takes us on an emotional journey with intriguing tales of her youth through the segregated past of the Louisiana Bayou She shares joyful and sometimes heartbreaking memories of the times she spent in the rural south from

stories of oppression to tales of lustful temptations in the nights at the swamp Despite the racism and discrimination she faces Cora perseveres and overcomes the various adversities she encounters sometimes even battling them with her deep rooted spells and rituals passed down from her ancestors But will some happenings be just too horrible for Cora to overcome or will they haunt her forever Can she truly triumph over her hardships with her feisty flare and witty charm Join Cora the compelling matriarch of this southern Bayou family for a voyage through time that answers these questions and more in *Sprouting Seeds* Sisters, Seeds, and Cedars Fountain, Sarah M., History consists mainly of the milestones the turning points of time What are often lost in the fray are the details Thankfully for those who have a hunger for history books like *Sisters Seeds and Cedars* exist to fill in some of the gaps of history The book contains letters from two sisters Cornelia and Clara Originally from Alabama Clara moves on to Arkansas while Cornelia stays where her roots are Clara eventually puts down roots of her own and the sisters continue to converse through letter writing for their entire lives The letters span the generations and provide insight into everyday life between 1850 1928 Without them it might not be known that a dewlarkie is most likely a slang word of the period for a beau The letters also provide details of the effects of the Civil War on the citizens of the South As the sisters recover from the war they must adjust to their new lives filled with carpetbaggers and sharecroppers While it may be impossible to know all the details of history letters that have survived and have been preserved in a book like *Sisters Seeds Cedars* paint a more complete picture of events that have shaped the world and families alike Sarah Moseley Fountain is a native Arkansan dedicated to Arkansas literature history and culture She lives in Conway Arkansas *Genuine* Angela Hill, 2025-06-08 In matters of the heart love and relationships it is important to speak up when things in the friendship relationship is moving or are going too fast in a direction that doesn't work for both parties involved In matters of the heart love and relationships to avoid unnecessary heartbreak or pain don't let your flesh sex be the driving force to getting involved in a relationship that you are not ready for In matters of the heart love and relationships listen for healing of past situations and relationships because you don't want to add to anyone's pain If you or someone else hasn't healed from the anguish and pain of previous relationships whatever kind of relationships they are adding to your pain or someone else's pain could be detrimental In matters of the heart love and relationships when it comes to spirituality being close to or on the same page is important In matters of the heart love and relationships when you know what you want stick to it and stay with it *Buttermilk Bottom* H. Victoria Hargro Atkerson, 2011-12-15 *Buttermilk Bottom* was a real place It existed for many years in the shadows of Atlanta's business district and was considered a festering eyesore Many generations of black families lived there in almost total seclusion because of its geographic location which was a sunken community riddled with poverty crime rodents and economic depression that was legally imposed by the separate but unequal Jim Crow laws that devastated the lives of thousands of black families throughout the South This is a fictionalized account of the people who lived in *The Bottom* and their lifestyle during the 50s and the early 60s *Buttermilk Bottom* had a notorious

reputation because of its delapidated wooden framed apartment houses high crime rate extreme poverty and its isolation from the rest of the city The reader will glimpse the living conditions the mindset of the people and the political atmosphere that devastated their lives on a daily bases You will meet and be charmed by the handsome dangerous ex con Cameron Fielding the local number writer The smart and very attractive school principal Grace Camerons long time sweetheart is helplessly trapped in her passion for Cameron despite the pressures of her peers and her professional life You will be amused by the intelligent and funny storyteller Cripple Jake The forbidding Voodoo Priestess will makes you wonder while her beautiful daughter Jazmine will captivate you The popular and well endowed Queenie the madame and co owner of the local juke joint is unforgettable along with Lucille who you will remember and laugh about for a lifetime In Buttermilk Bottom soul food never tasted so good the blues never sounded so low down and the intimacy in love relationships of the characters will sizzle in your dreams long after you put this remarkable story down and re read for years to come Buttermilk Bottom is a pictorial in words and the storytelling is brilliant
