D.,Morris Weiss,2006-12 Dean Daniel Allen s Friday afternoon trip to Jackson s Hardware in downtown Jeffreysville for the mundane purchase of a deadbolt lock for his kitchen door becomes the prelude to ten days of momentous events Several members of the faculty as well as a number of students at DeMott University will never be the same after Dean Allen finds the beautiful Jeanette de Lorien in a piano practice room in the tower of the University Library finds her very dead indeed An unlikely detective only Dean Allen s sense of duty will keep him cooperating with the Campus Security and the Jeffreysville police Sometimes he will find himself caught in the crossfire between these two unacknowledged rivals in enforcement of the law At other times he will seem almost to be thwarting the police investigation when his loyalty to his faculty colleagues prevents him from telling the whole truth He also will find himself going out on his own in questionable attempts to follow his secretary s advice to solve a crime by knowing your victim Not only will he end up knowing the victim but he will learn a great deal about the lives of a number of the suspects and there are a surprising number of these in the quiet Midwestern town and on the conservative campus of DeMott University He also will find out a bit about himself leaving him surprised and quite pleased This book is not so much a typical murder mystery as it is a study of the people encountered in the story The basic premise of the author is that people s behavior is the result of the totality of the experiences of their lives Such behavior may not be condoned but it can be understood And a campus in a small Midwestern town can be the scene of just as much irrational aberrant or immoral behavior as may a more urban environment The setting gives the author opportunity to give the reader some insights into academic life on such a campus *The Rough Guide to Tuscany and Umbria: Travel Guide eBook* Rough Guides,2025-05-01 Ideal for independent travellers this guidebook to Tuscany and Umbria written by destination experts combines must see sights with hidden gems and offers essential tips for both planning and on the ground adventures Inside this Tuscany and Umbria travel book you ll find Regional deep dive coverage of key regions offering a rich selection of places and experiences and honest reviews of each one Itinerary samples designed for various durations and interests Practical information tips on how to get there and get around use public transport beat the crowds save time and money travel responsibly and more Expert recommendations insider advice on where to eat drink and stay alongside tips for nightlife and outdoor activities Seasonal tips when to go to Tuscany and Umbria climate details and festival highlights to plan your perfect trip Must See pick a curated selection of not to miss sights as chosen by our authors Piano Grande San
