

An illustration of a young girl with long, dark green hair, wearing a pink and white cherry blossom patterned kimono. She is shown from the waist up, looking upwards with her hands outstretched towards a sky filled with many colorful paper cranes (origami) in shades of pink, white, and blue. The background is a bright blue sky with soft white clouds. The title text is positioned at the top of the image.

Teaching Postwar Japanese Fiction Alex Bates,2023-01-17 As Japan moved from the devastation of 1945 to the economic security that survived even the boom and bust of the 1980s and 1990s its literature came to embrace new subjects and styles and to reflect on the nation s changing

relationship to other Asian countries and to the West This volume will help instructors introduce students to novels short stories and manga that confront postwar Japanese experiences including the suffering caused by the atomic bombings of Hiroshima and Nagasaki the echoes of Japan s colonialism and imperialism new ways of thinking about Japanese identity and about minorities such as the zainichi Koreans changes in family structures and environmental disasters Essays provide context for understanding the particularity of postwar Japanese literature its place in world literature and its connections to the Japanese past

Museums, Children and Social Action Sharon E. Shaffer, 2023-12-15 Museums Children and Social Action examines the role that museums play in reaching teaching and inspiring children as global citizens of the world and looking to the future argues that the sustainability of museums will come from strengthening relationships with young visitors Presenting a diverse range of programs exhibitions and outreach from museums across five continents Shaffer highlights how museums are already serving children and making a difference in their lives Arguing that museums have a unique responsibility to connect this audience with relevant social issues and challenges such as social injustice racism climate change and poverty Shaffer simultaneously acknowledges that a large number of children are still on the margins of the institution and its mission Recognizing the ways in which museums are currently serving children the book also considers what museums could and should be doing as they plan for the future raising critical questions about core values community partners and social agendas Museums Children and Social Action is essential reading for academics and students engaged in the study of museums social justice and childhood It encourages museums to make it their mission to educate and serve this audience and their families for the good of children as well as museums while also considering what their institutions can do to make a lasting impact on children and their families
