A User's Guide To Neglectful Parenting:

A User's Guide to Neglectful Parenting Guy Delisle, 2013-06-11 Meditations on fatherhood from the author of *Jerusalem Chronicles* from the Holy City With *A User's Guide to Neglectful Parenting* the trademark dry humor that pervades Guy Delisle's landmark and praised graphic travelogues takes center stage Quick light vignettes play on the worries and cares any young parent might have and offer wry solutions to the petty frustrations of being a dad who works from home Readers familiar with Delisle's stranger in a strange land technique for storytelling employed in *Jerusalem* *Pyongyang* *Burma* and *Shenzhen* will recognize the titular parent in this book Delisle's travelogues were simultaneously portraits of complex places and times and portraits of a stay at home dad's ever changing relationship with his children while his wife is out working for Doctors Without Borders The relationship between young child and all too irony aware parent is beautifully done here and Delisle's loose flowing style has been set free creating a wonderful sense of motion throughout *A User's Guide to Neglectful Parenting* is an intimate offbeat look at the joys of parenting **Careers in Child Abuse and Neglect** Wayne L.

Thomas, 1981 *The Graphic Lives of Fathers* Mihaela Precup, 2020-02-21 This book explores the representation of fatherhood in contemporary North American autobiographical comics that depict paternal conduct from the post war period up to the present It offers equal space to autobiographical comics penned by daughters who represent their fathers complicated and often disappointing behavior and to works by male cartoonists who depict and usually celebrate their own experiences as fathers This book asks questions about how the desire to forgive or be forgiven can compromise the authors ethics or dictate style considers the ownership of life stories whose subjects cannot or do not agree to be represented and investigates the pervasive and complicated effects of dominant masculinities By close reading these cartoonists complex strategies of self representation this volume also places photography and archival work alongside the problematic legacy of self deprecation carried on from underground comics and shows how the vocabulary of graphic narration can work with other media and at the intersection of various genres and modes to produce a valuable scrutiny of contemporary norms of fatherhood *Resources in Education* , 1998 **Erotic Attunement** Cristina L. H. Traina, 2011-12-01 Heightened

awareness of the problem of sexual abuse has led to deep anxiety over adults touching children in nearly any context Though our society has moved toward increasingly strict enforcement of this taboo studies have shown that young children need regular human contact and the benefits of breastfeeding have been widely extolled Exploring the complicated history of love desire gender sexuality parenthood and inequality *Erotic Attunement* probes the disquieting issue of how we can draw a clear line between natural affection toward children and perverse exploitation of them Cristina L H Traina demonstrates that we cannot determine what is wrong about sexual abuse without first understanding what is good about appropriate sensual affection Pondering topics such as the importance of touch in nurturing children the psychology of abuse and victimhood and recent ideologies of motherhood she argues that we must expand our philosophical and theological language of physical love

and make a distinction between sexual love and erotic love Taking on theological and ethical arguments over the question of sexuality between unequals she arrives at the provocative conclusion that it can be destructive to completely bar eroticism from these relationships

Factory Summers Guy Delisle,2022-08-03 For three summers beginning when he was 16 cartoonist Guy Delisle worked at a pulp and paper factory in Quebec City Factory Summers chronicles the daily rhythms of life in the mill and the twelve hour shifts he spent in a hot noisy building filled with arcane machinery Delisle takes his noted outsider perspective and applies it domestically this time as a boy amongst men through the universal rite of passage of the summer job Even as a teenager Delisle s keen eye for hypocrisy highlights the tensions of class and the rampant sexism an all male workplace permits Guy works the floor doing physically strenuous tasks He is one of the few young people on site and furthermore gets the job through his father s connections a fact which rightfully earns him disdain from the lifers Guy s dad spends his whole career in the white collar offices working 9 to 5 instead of the rigorous 12 hour shifts of the unionized labor Guy and his dad aren t close and Factory Summers leaves Delisle reconciling whether the job led to his dad s aloofness and unhappiness On his days off Guy finds refuge in art a world far beyond the factory floor Delisle shows himself rediscovering comics at the public library and preparing for animation school only to be told on the first day There are no jobs in animation Eager to pursue a job he enjoys Guy throws caution to the wind Translated by Helge Dascher and Rob Aspinall

World Record Holders Guy Delisle,2022-08-09 Universally beloved cartoonist Guy Delisle showcases a career spanning collection of his work with a sly sense of humor and warm characterization Before Delisle became an international superstar with his globe hopping travelogues he was an animator experimenting with the comics form Always aware of the elasticity of the human form and honing his keen observer s eye young Delisle created hilarious set pieces World Record Holders ranges from wistful childhood nostalgia to chagrined post fame encounters touching on formally ambitious visual puns and gut busting what ifs Delisle again and again shows how life is both exhilarating and embarrassing Delisle visits an exhibition of his work in another country and is confronted by an angry spouse who blames him for destroying her marriage A juvenile game of Bows and Arrows turns menacing as arrows shot straight up in the air turn into barely visible missiles of death A coded message from space creates different reactions from different people debates dance festivals gallery shows Translated by Helge Dascher
