

A romantic sunset over a forested mountain. The sky is a warm, golden-orange color, with the sun low on the horizon, creating a soft glow. The foreground shows the dark, silhouetted outlines of evergreen trees on a steep, rocky slope. The overall mood is peaceful and intimate.

For I have never known such a
wondrous thing in all my life as you.

The Broadview Anthology of Medieval Drama Christina M. Fitzgerald, John T. Sebastian, 2012-12-05 The past generation has been an extraordinarily active one in medieval drama scholarship our appreciation of the range of medieval drama has been significantly broadened and our understanding of certain medieval genres most notably biblical drama has been fundamentally altered The Broadview Anthology of British Literature has been widely praised for the degree to which it has taken this scholarship into account in its selection of and presentation of medieval plays Now Broadview

launches a new anthology that takes those plays as its base while expanding very substantially beyond them to represent the full range of drama in English and where strong connections exist in French Latin Cornish and Welsh as well through to 1576 In all over forty plays are included Each work has been fully annotated and is prefaced by a substantial introduction In many cases the language is to some extent modernized in order to make the plays more accessible to readers today *Rhythms of Life* Brandon Leo John, 2023-04-18 The poet's anthology offers a window into the everyday moments of life capturing the beauty and significance of various things we see The poems in this collection are a testament to the power of observation and reflection showcasing the simple yet profound things that we often take for granted With skillful use of language and imaginative imagery these poems bring to life a diverse array of subjects from nature to relationships and everything in between Whether exploring the majesty of the sky and the earth or delving into the depths of the human heart each poem in this collection is a masterful representation of the world as seen through the eyes of the poet This collection is a reminder of the richness and depth of life and how even the smallest moments can hold immense beauty and meaning Through its poems it invites us to slow down and appreciate the world around us to look more closely at the things that matter most and to find the poetry in our everyday lives Whether you're an avid reader of poetry or just looking for a new way to experience the world this collection is sure to offer something for everyone
