Maimon, 2008 *Writing Effective Course Assignments* Elia Shabani Mligo, 2017-05-11 Non degree and undergraduate students are both inexperienced essay writers who need close guidance to become effective writers One of the puzzles which they encounter at the college and university after reporting for studies is the course assignments offered to them by their lecturers which demand them to be critical thinkers and argumentative essay writers In most colleges and universities lecturers provide to students broad questions to answer in the form of essays either in group or individual assignments How should they turn the broad assignment questions provided to them by their lecturers into specific researchable topics for essays How should they handle literature in order to obtain valuable information to answer the provided question How should they construct an informed and convincing argument using the collected information as evidence This book concerns these and other related questions

With its clear illustrations the book is designed to be a self study guide and to offer solutions to many struggling students in colleges and universities At the same time the book can be helpful for lecturers to instruct their students how to write effective course assignments in their respective courses

Pathways Through Writing Blocks in the Academic Environment Kate Evans, 2013-04-19 Writing blocks are likely to strike any writer even experienced ones at sometime or another Academia has its own challenges which can provoke blocks particular to that environment Drawing on her knowledge as writer psychotherapeutic counsellor and university tutor Kate Evans has put together a book which addresses many of the differing aspects of writing blocks including looking at their emotional and psychological foundations With discussion and practical exercises this volume suggests that an infusion of creative techniques can offer pathways through writing blocks in the academic environment The case studies provide an in depth consideration of varying experiences of writing blocks The book is aimed at students with essays projects or reports to write or theses to tackle as well as academics who are working on articles and books It will also offer insights for supervisors who wish to support those who are writing and guidance for people running writing groups within academia Over all the book encourages a creative collaborative approach which aims to equip academics for writing within the context of the twenty first century This book offers something for every academic writer whether budding or experienced Students struggling with essays and dissertations will find many practical exercises along with invaluable advice More practised writers will encounter fresh insights I am confident that you the reader will enjoy this book which is itself a model of good writing Dr Linda Finlay the Open University UK
