

You may enjoy music in the car or on the radio. But music performed by a full orchestra opens a whole new world! An orchestra is a large group of musicians all playing at the same time. The musical instruments they play range from big, deep drums to small, high-pitched flutes. Because the orchestra is made up of so many different instruments, the music is rich and full. You'll be impressed!

Composers, the people who write music, sometimes create special work intended for children. Other times, the work is intended for everyone to enjoy; children included! Join the Atlanta Symphony Orchestra as we allow the orchestra to introduce itself – through music!
