Denny, MBA, 2014-02-04 There are more than 259 million professionals on LinkedIn In my line of work I come across many people in the market for a new job who are under utilizing the power of this massive networking site A recent study showed that 51% of profiles on LinkedIn are subpar What these folks don t realize is that LinkedIn can be a premiere source for new job

opportunities if it's used the right way. You see the hidden job market is buried in LinkedIn's algorithm and lies among people you know and don't know. I decided to write this e-book so anyone in the job market can discover how LinkedIn works, uncover the secret to building a profile that gets noticed by industry-specific recruiters and reveal proven techniques on using the world's largest professional networking site to its full advantage. All information provided within this guide can be achieved with the basic FREE version of LinkedIn. So all you need is a computer or tablet, an internet connection and this guide as the key to unlocking the opportunities to your next career move. Keep in mind this e-book is not a how-to guide on navigating the LinkedIn interface, a comprehensive training on how to use LinkedIn, a guarantee to finding a job. The topics discussed in this book are merely proven methods of raising the probability of success. By following the advice outlined in this guide, you will maximize your LinkedIn experience and develop a highly effective, frequently visited LinkedIn profile which will boost your visibility to employers and improve your marketability as a job seeker.

Amateur producers receive a full list of equipment needed and they gain tips from well-known YouTube users on how to produce quality spots without breaking the bank. After covering the basics, Rich, joined by YouTube-savvy entrepreneurs, reveals how small business owners can drive viewers to contact their business. Rich also shows entrepreneurs how they can make money while promoting themselves.

101 Tips for creating the best LinkedIn profile : Essential tips for getting a job abroad Jon Josefsson, 2021-10-27. Many people set up LinkedIn profiles but then don't really know what to do with them. Others have no idea what to use LinkedIn for or how they can professionally benefit from using it. If you use LinkedIn the right way, your profile will be out there for the world to see. Remember that it's never too soon nor too late to start learning how to use LinkedIn for your own personal goals. Start with the tip that you like the most in order to get going. Is there more to it than just LinkedIn? Yes, there are more important things to think about. Taking the decision to go for it and try to find a job abroad, narrowing down what kind of jobs you want and setting your personal sales pitch is more important than having a good digital profile. In the interviews in the last part of the book, you can read about how some Chinese persons managed when they found their job abroad and find out what their job journey was like. You can get practical tips and ideas. This book is both
