All Pastor Christ Oyakhilome:

God's Word To All Pastors Maria Olajesus, 2015-05-29 This book is for all the Watchman who are working in God Vineyard God is not happy with the way the Watchman are doing into day s world *African Instituted Churches* Rufus Okikiolaolu Olubiyi Ositelu, 2002 One of the striking features of the changed demography of world Christianity has been the emergence and growth of the African Instituted Churches AICs This book is therefore provided for those who desire to study the African initiatives in Christianity The book is intended to serve as a valuable material to teachers and students of African Instituted Churches The customs culture and traditions of the African or any other peoples of the world are to serve as beautiful compliments to the Christian faith and belief and not diametrically opposed to it *DID WE CREATE GOD?* JOACHIM ONYEAKOR, 2012 The author believes that the religious arena has turned into a market place hence anyone can buy God and religious institutions can also canvass for membership to increase their sales He expresses his dismay at most religions of the world and their levels of hypocrisy particularly within the Pentecostal Christian community that is fragmenting into untold numbers and has turned into a tool of fraud and deceit selling God selling salvation selling false dreams and false hopes deploying stage managed miracles as catch tools and also as tools of mind slavery He is not comfortable with suicide bombers within the Islamic community who erroneously claim that such extreme level of ugliness will lead them into heaven He says that the ways religious institutions are conducting themselves lately we no longer know who created who whether God created Man or Man created him for a purpose According to the Christian Bible Christ did say do unto others as you will have them do unto you love one another hence the Author begs to know whether others and one another according to Christ mean all races and religious faiths since those golden rules are not being applied by those who told us about Christ In the name of Capitalism and Materialism Man has almost turned into a base animal hence making this earth look like a jungle where no rules apply and where conscience and love no more have a place We live in times when Man create diseases and create their cures The author believes that since most people especially Africans believe in the Bible information and Bible stories and the Bible has it that the Pharaohs of Africa did enslave the Israelites in the past then colonialism and slavery may be human nature and a form of revenge which one must also strive to resist Colonialism seems to be a form of ugliness just like Apartheid forceful dominance slavery and other forms of Man s oppressions and inhumanity against fellow Man which happens from time to time in human history which humanity must also fight to outlive The author disagrees with the notion that God chooses some people to rule over others hence he believes that people choose themselves According to the Christian Bible Christ did say to his disciples that greater things shall they do in his name hence it is time that the so called Christian anointed men of God who are performing miracles only on church stages also walk on water for all to see Unfortunately the continent of Africa where it is said that civilization began has more churches than factories yet the continent has failed to develop The Blessings Eruke Omorogieva, 2023-07-27 You can eternally change the course of your

moments large and small that led him there It is at once a personal history an observation of how childhood experiences can have a profound effect on the adults we become and a commentary on how mental illness remains a difficult conversation in black families More than anything in Patient 12A Lesedi allows himself to filter out the noise in his head to find the truth however uncomfortable that may be Religion, Public Health and Human Security in Nigeria Abiodun Alao,2022-12-28 This book critically examines the intersection of religion public health and human security in Nigeria Focusing on Christianity Islam traditional religions and intra religious doctrinal divergencies the book explores the impact faith has on health related decisions and how this affects security in Nigeria The book assesses the connection between religion and five contemporary major health and medical issues in the country This includes the issue of epidemics and pandemics such as the Covid 19 pandemic vaccines contraception blood transfusion and the controversies associated with miracle healing In particular this book explores situations where individuals have the power of choice but instead embraces faith and religious positions that contradict science in the management of their health and in the process expose themselves and others to personal health insecurity It investigates aspects of human security including the wider international ramifications of health issues approaches to cures and the interpretation of causes of diseases as well as the ethno religious connotations of such interpretations Exploring key issues that have brought religion into the politics of health and human security in Nigeria this book will be of interest to students and scholars in the field of African Religion African Politics African Studies public health security and Sociology **God** ,2005 Living a Triumphant Life Abel Jimmy,2024-09-10 It is very important for believers to know that living victoriously on a daily basis is our inheritance because the Scripture says in all these things we are more than conquerors Romans 8 38 It is one thing to confess that you are more than a conqueror it s another thing to walk in the light of it to make life more fulfilling for you Living a triumphant life points believers to focus on the various requirements that are necessary to be victorious in every aspect of their lives For ministers who desire to demonstrate the power of God and to have a successful ministry the book elaborates on the necessity of knowing who the Holy Spirit is and His work in the life of every believer John said we have an unction and the anointing abides in you 1 John 2 20 27 He was the one that anointed Jesus and the apostles to perform great signs and wonders As the greater one abiding in us knowing and depending on Him will make life exciting Speaking of the Holy Spirit the book went in depth on how the Holy Spirit manifests his gifts in the life of every believer to show forth the mightiness of God who always causes us to triumph in Christ Jesus and over all the power of darkness To live a triumphant life demands that you know how to enforce the victory of Christ over the devil in your daily life Reading this book will give you an understanding of how to exercise your authority over Satan in the name of Jesus and to give up fear which has torment for faith which is also a necessity to be triumphant It also deals with angels who are our messengers sent forth to do something for us when we tell them to You will never benefit from what you don t know but when you know it will become a blessing to you **Coming to London -Crossing Over-** Vivian Daniels,2013-03 VIVIAN

DANIELS is a counsellor and founder of City Life Changers an outreach ministry founded in London United Kingdom for visiting those in prison detention centres and those in the midst of harsh and difficult city circumstances Born and raised in the south of Nigeria and mother to three sons she left behind a successful career and multiple businesses to pursue a heartfelt calling in her life from God You are of God little children and have overcome them because He who is in you is greater than he who is in the world 1 John 4:4 Vivian's testament is one of true grit and determination which she often refers to as an unrelenting faith in God Coming to London a scripture laden journey is a brief chronicle of my life's journey A journey which in retrospect lovingly exhibits the very hand of God at work a comforting and nurturing work on me through to others The word of God is alive the living scriptures are not dormant they are the very breath and essence of spiritual sustenance from God Vivian Daniels **Tell**, 2008 *African Christian Leadership* Priest, Robert J., Barine, Kirimi, 2017-10-12 The speed of the remarkable expansion of Christianity in Africa has outstripped available support structures for Christian leadership training and development Since many of Africa's countries are majority Christian African Christians also find themselves exercising leadership in a wide variety of business educational media social service and governmental venues This book seeks to offer this support and training to promote African Christianity and to further the healthy development of Africa **Christ Is Our God** Yinka Bamgbelu, 2015-05-22 It seems extraordinary that Dr Richard Dawkins who Dr Stephen Hawking implied was an imbecile was apologising for Albert Einstein I believe Dawkins was afflicted by delusional self aggrandisement which is a form of psychosis and part of the clinical manifestations of latent progressive dementia He was not fit to speak for a true genius like Einstein Infallibility is brainless nonsense as it exists only in the supernatural realm Only an infallible being will describe another being as fallible If Albert Einstein were a stately horse Dr Richard Dawkins is an insect Albert Einstein regards Sir Isaac Newton as near deity Sir Isaac Newton was a devout unorthodox Christian and perhaps the supreme science genius Invoking God Mehr A. Kalami, 2025-08-04 The main theme of this literary work examines avarice insatiable greed and abysmal voracity of those individuals who under the guise of serving God serve their own vested interest This documented book exposes such people who achieve almost everything to fill their coffers and to vent their hatred through deceit and the obfuscation of the public It is a known fact that the majority of the televangelists commenced life modestly most of them devoid of any academic erudition in theology but with some certification from unrecognized seminaries spread throughout the country wherever they reside What captivated my interest in writing this book is the unscrupulous methods that such people have employed to accumulate unjustified immense wealth and properties just through the art of obfuscation deceit and false promises of invoking God to heal the sick and dying for a fee a fee that would leave them unhealed and poverty stricken **Powered by Faith** Tapiwa Praise Mapuranga, 2018-11-30 This book investigates the impact of Pentecostalism on the participation of women in business in Harare Zimbabwe Chapters in this volume trace the history of women's participation in business and highlight how Pentecostalism serves as a major motivating

factor The central argument is that there is a way in which selected women s businesses are powered by the Spirit Contributors to the volume utilize case studies of selected Pentecostal churches and ministries to highlight how the religious ideologies of these churches galvanize them to engage in business They also draw patterns of similarity and difference across the different Pentecostal churches The volume demonstrates how Pentecostalism both facilitates and militates against women s participation in business concerning a specific setting in Zimbabwe

The Invasion of the Funky Pastors Harry N. Agina, 2010 When I left Nigeria as a boy for the USA in search of the proverbial greener pastures there was Christianity and there was the African Culture in Nigeria both of which I had grown up in Christianity fed me with the word of God while my African Culture made me desirably and proudly different from a white man an Indian Mexican or Asian That was many years ago in the mid 1900s Today when I visit my little remote African village to enjoy some of the cultural values that I have missed so much while in the western world my brethren in the village tell me that the culture is no more Indeed the entire Christian community of Nigeria seems to be heading towards the notion that the African Culture is suddenly out of fashion The people s excuse is that they have seen the light in their new wave Christianity Some traditionalists are not taking the culture abuse lying down and with their fire for fire response to the Christian zealots there is truly a war of cultures in Nigeria I am right in the middle of it and this is my story I must prepare my reader s mind for my general hardnosed criticism of Nigerian Commercial Church in this story I lament that too many Christians are willfully making mischief and a whole lot of money all in the name of God I am a devout Christian and would never advertently say one bad word against Christianity or any religion for that matter My grouse is with the growing number of mischievous funky pastors their zombie like followers their gross misinterpretation of the Holy Bible and the war that they have declared against the African Culture One might even say that my criticism is venomous but I call it brutally frank or frankly brutal

Public Righteousness Abimbola A. Adelakun, 2023-05-25 Public Righteousness The Performative Ethics of Human Flourishing is driven by the idea that part of what manifests as a disorderly display of virtue in public culture is underlined by the desire to see a more righteous society and an expression of the will to enact such an ideal world into reality This book re structures the ferment of such public displays and fashions an ethic that overturns the ostentatious signals of self righteousness and the fierce contest of animating visions This book engages the work of social ethicist Nimi Wariboko to explore an idea of public righteousness In place of smug superiority and phony pieties the performative ethics that inaugurate this public righteousness offer an intellectual and moral competence that establishes rectitude and culminates in human flourishing
