females were hosts for parasites that fed on the pain of others They d lull a male into a false sense of security before unleashing horrible physical and emotional abuse Humans were unlike the queens he d known They seemed open outgoing and almost innocent compared to Draconian queens There was no arguing that they were clever and intelligent beings but Meric harbored reservations about their true motivations He d guard himself until he was sure they weren t simply more skilled at deception Especially the lovely healer who had insisted upon joining his crew Meric knew that he spent far too much time thinking of the fair human female It took all his discipline as a warrior not to follow her with his eyes and come running when she needed assistance He refused to allow himself to become enamored with another cruel female albeit it one wrapped in a beautiful package
