Simple Weeknight Favorites America's Test Kitchen, 2012-03-01 200 meals you won't believe you're eating on a weeknight Most quick recipe collections promise a lot but deliver very little Bland uninspired dishes may be fast but will you make them again And clever gimmicks sound great but in reality they rarely make much sense The team at America's Test Kitchen has created more than 200 easy to make 30 minute recipes that guarantee impressive results from a

minimum of effort With a little test kitchen know how we found ways to make naturally fast dishes even faster and traditionally slow cooked dinners a weeknight option But one thing we never did was settle on shortcuts that shortchanged flavor Some compromises simply aren't worth making and a few extra minutes of cooking translate to time well spent No matter the path taken every recipe in this book is foolproof full flavored and fast It's time to make weeknight dinner interesting again

The Food Network Recipe Emily L. Newman, Emily Witsell, 2021-04-06

When the Television Food Network launched in 1993 its programming was conceived as educational it would teach people how to cook well with side trips into the economics of food and healthy living Today however the network is primarily known for splashy celebrity chefs and spirited competition shows These new essays explore how the Food Network came to be known for consistently providing comforting programming that offers an escape from reality where the storyline is just as important as the food that is being created It dissects some of the biggest personalities that emerged from the Food Network itself such as Guy Fieri and offers a critical examination of a variety of chefs feminisms and the complicated nature of success Some writers posit that the Food Network is creating an engaging important dialogue about modes of instruction and education and others analyze how the Food Network presents locality and place through the sharing of food culture with the viewing public This book will bring together these threads as it explores the rise development and unique adaptability of the Food Network
