All Good Things:

All Good Things... Michael Jan Friedman, 2000-09-22 Seven years ago Captain Jean Luc Picard first faced the judgment of the Q Continuum a race of beings with God like powers over time and space who presumed to gauge humanity's fitness to exist in the galaxy Seven years ago they suspended judgment but now a decision has been reached The human race will be eliminated not only in the present but throughout time Humanity will never have existed at all The only chance to save mankind lies with Captain Picard An old enemy has granted him the power to revisit his life as it was seven years before and to experience his life twenty five years in the future With the help of friendships that span time and space Picard struggles to defeat the plans of the Q Continuum But even as he fights to save the human race from total extinction he has been set up to be the unwitting agent of mankind's destruction In an effort to save humanity Picard must sacrifice himself and all those he commands and if their sacrifice fails all mankind is doomed

Nicene and Post-Nicene Fathers: First Series, Volume IV

St. Augustine: The Writings Against the Manichaeans, and Against the Donatists Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume IV of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Augustines writings defending the Catholic church against the Manichaeans and the Donatists Manichaeism was a religion developed in Persia by the prophet Mani According to this religion creation has two parts darkness and light Light is God and has ten attributes Opposing this and coeternal with it is darkness and its five attributes Saint Augustine was originally a Manichaean so his defense of Christianity against this religion comes from a deep understanding of its nature Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution which caused a schism in Christianity In opposing these men Augustine attempted to mend the rift Those with an interest in ancient religions will find Augustines writings on Manichaeism one of the most important historical records of that religions practices
