Drawn & Courted R. David Foster, 2015 The Oakville OASIS Drawing Bee participants were often hesitant claiming they did not know how to draw when we began to meet with coffee on Monday mornings in Oakville Ontario Canada So I would draw examples of what they could draw from doodling through imagining and remembering subjects to complex perspective projections to get them engaged in something other than their worrying and depression These drawings were combined into four pamphlets and now into this book This book has all the practical information one can use to draw pretty much anything and everything From doodles that develop skills to drawing from the imagination and memory to improve observation and further drawing improvement to university level perspective drawing theory and practical solutions this book has it all for any novice or experienced artist The intention is to provide a great deal of enjoyment from actually drawing EnJOY
