

Memorandum

Dated: 14 January 2023

To: Sales & Marketing Group

From: Praveenkumar Revankar, Product Engineering

Subject: Delay in release timelines of Feature A and Feature B.

Purpose:

The purpose of this document is to notify the cross-functional group about sudden changes in release timelines of Feature A and Feature B and to reinform the group to reprioritize certain tasks for Sales and Marketing for the release.

Background/Context:

We have been working together on our key USP features 'Feature A' and 'Feature B' for targeting their release this quarter. Due to unforeseen circumstances, there is a change in the release timelines and the new timeline will be shared shortly in Scrum of Scrum meeting where a representative from Sales has been invited.

Action:

Even though it looks like a major setback and current activities w.r.t. The release can be paused, there are certain actions that have to be performed in this quarter. The same has been conveyed in Jira, marking the work items with labels "Q1_Paused" and "Q1_Must." Please reprioritize your internal activities based on the labels in Jira and ensure a final plan reflected in Jira on or before 30 January 2023.

Conclusion:

We might be delayed with the release but we are not affecting the business. The necessary strategy is defined and put in place to ensure customers can solve their problems using our support until Feature A and Feature B release.

Thanks,
Praveenkumar Revankar

The Tragedy of Ukraine Nicolai N. Petro, 2022-12-19 The conflict in Ukraine has deep domestic roots A third of the population primarily in the East and South regards its own Russian cultural identity as entirely compatible with a Ukrainian civic identity The state s reluctance to recognize this ethnos as a legitimate part of the modern Ukrainian nation has created a tragic cycle that entangles Ukrainian politics The Tragedy of Ukraine argues that in order to untangle the conflict within the Ukraine it must be addressed on an emotional as well as institutional level It draws on Richard Ned Lebow s tragic vision of politics and on classical Greek tragedy to assist in understanding the persistence of this conflict Classical Greek tragedy once served as a mechanism in Athenian society to heal deep social trauma and create more just institutions The Tragedy of Ukraine reflects on the ways in which ancient Greek tragedy can help us rethink civic conflict and polarization as well as model ways of healing deep social divisions

Fragmented Citizens Stephen M. Engel, 2019-06-01 A sweeping historical and political account of how our present day policy debates around citizenship and

equality came to be The landmark Supreme Court decision in June 2015 legalizing the right to same sex marriage marked a major victory in gay and lesbian rights in the United States Once subject to a patchwork of laws granting legal status to same sex couples in some states and not others gay and lesbian Americans now enjoy full legal status for their marriages wherever they travel or reside in the country For many the Supreme Court's ruling means that gay and lesbian citizens are one step closer to full equality with the rest of America In *Fragmented Citizens* Stephen M Engel contends that the present moment in gay and lesbian rights in America is indeed one of considerable advancement and change but that there is still much to be done in shaping American institutions to recognize gays and lesbians as full citizens With impressive scope and fascinating examples Engel traces the relationship between gay and lesbian individuals and the government from the late nineteenth century through the present Engel shows that gays and lesbians are more accurately described as fragmented citizens Despite the marriage ruling Engel argues that LGBT Americans still do not have full legal protections against workplace housing family and other kinds of discrimination There remains a continuing struggle of the state to control the sexuality of gay and lesbian citizens they continue to be fragmented citizens Engel argues that understanding the development of the idea of gay and lesbian individuals as less than whole citizens can help us make sense of the government's continued resistance to full equality despite massive changes in public opinion Furthermore he argues that it was the state's ability to identify and control gay and lesbian citizens that allowed it to develop strong administrative capacities to manage all of its citizens in matters of immigration labor relations and even national security The struggle for gay and lesbian rights then affected not only the lives of those seeking equality but also the very nature of American governance itself *Fragmented Citizens* is a sweeping historical and political account of how our present day policy debates around citizenship and equality came to be

New Financial Ethics Aloy Soppe, 2016-12-08 Following the internationalisation globalisation and deregulation of the financial market over the last few decades the financial sector has evolved from a servicing industry into an initiating and leading sector in the international industrialised economy The power of the financial sector including Credit Rating Agencies determines the creditworthiness of companies and countries Today's financial sector dominates instead of serving the real economy which puts substantial pressure on all the agencies involved not least the banks to make the profits that will drive economic growth As a result of this pressure moral conduct in the financial sector has been put under severe strain This book examines the experience of the recent financial crisis and argues that a firmer ethical grounding for the financial sector is required to prevent the crisis being repeated The book offers a model for making judgements on financial markets institutions and products The model is built on seven major criteria which are examined in depth Justice Nature Sustainability Legality Risk and Return the Stakeholder model and Monism This multidisciplinary approach integrates philosophy economics and law to arrive at a new normative approach to financial ethics This book is a must read for finance students at academic levels but also for professionals in the financial sector who can be helped by implementing the model of

The Top Books of the Year All Memo For Grade8 2014 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. All Memo For Grade8 2014 : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. All Memo For Grade8 2014 : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
