Paint Care Guide

Tip to preserve a gleaming paint finish.

Important

Always place selector lever in position "P" when parking vehicle.

Driving off

The selector lever is automatically locked while in position "P". To move the selector lever from position "P" into positions "R", "N" or "D" the service brake pedal must be firmly depressed to disengage the shift lock. Move selector lever only with engine at idle speed.

Firmly depress service brake pedal also when moving selector lever from position "N" to a driving position to prevent premature car movement.
