

Memorandum

Dated: 14 January 2023

To: Sales & Marketing Group

From: Praveenkumar Revankar, Product Engineering

Subject: Delay in release timelines of Feature A and Feature B.

Purpose:

The purpose of this document is to notify the cross-functional group about sudden changes in release timelines of Feature A and Feature B and to reinform the group to reprioritize certain tasks for Sales and Marketing for the release.

Background/Context:

We have been working together on our key USP features 'Feature A' and 'Feature B' for targeting their release this quarter. Due to unforeseen circumstances, there is a change in the release timelines and the new timeline will be shared shortly in Scrum of Scrum meeting where a representative from Sales has been invited.

Action:

Even though it looks like a major setback and current activities w.r.t. The release can be paused, there are certain actions that have to be performed in this quarter. The same has been conveyed in Jira, marking the work items with labels "Q1_Paused" and "Q1_Must." Please reprioritize your internal activities based on the labels in Jira and ensure a final plan reflected in Jira on or before 30 January 2023.

Conclusion:

We might be delayed with the release but we are not affecting the business. The necessary strategy is defined and put in place to ensure customers can solve their problems using our support until Feature A and Feature B release.

Thanks,
Praveenkumar Revankar

The Tragedy of Ukraine Nicolai N. Petro, 2022-12-19 The conflict in Ukraine has deep domestic roots A third of the population primarily in the East and South regards its own Russian cultural identity as entirely compatible with a Ukrainian civic identity The state s reluctance to recognize this ethnos as a legitimate part of the modern Ukrainian nation has created a tragic cycle that entangles Ukrainian politics The Tragedy of Ukraine argues that in order to untangle the conflict within the Ukraine it must be addressed on an emotional as well as institutional level It draws on Richard Ned Lebow s tragic vision of politics and on classical Greek tragedy to assist in understanding the persistence of this conflict Classical Greek tragedy once served as a mechanism in Athenian society to heal deep social trauma and create more just institutions The Tragedy of Ukraine reflects on the ways in which ancient Greek tragedy can help us rethink civic conflict and polarization as well as model ways of healing deep social divisions
