All Those Things We Never Said English Edition:

All the Things We Never Said Yasmin Rahman, 2024-11-01 Sixteen year old Mehreen is overwhelmed by her anxiety and depression and she doesn't believe anyone in her life will understand if she tries to talk about it. She's been thinking about suicide for a while when she discovers a website called MementoMori.com. The site matches people with partners and assigns them a date on which to end their lives together. Mehreen is partnered with Cara and Olivia, strangers dealing with their own struggles. But as the girls get to know one another in preparation for their date of termination, they find themselves developing a strong bond, even becoming friends. For the first time, they're each able to share their darkest secrets with people who won't judge them. They realize that with the right support systems, life is worth living after all. So they decide to abandon the suicide pact. Except the website won't let them stop. As their assigned date of termination draws nearer and MementoMori continues to manipulate them, the girls will have to rely on one another to survive. If you or a loved one is experiencing suicidal thoughts, call or text 988 to reach the Suicide and Crisis Lifeline for free confidential 24/7 support.

The Things We Never Said Susan Elliot Wright, 2013-05-23 From the acclaimed author of *The Flight of Cornelia Blackwood*. Everyone can change their life. But what happens when it hides a secret that changes everything? In 1964, Maggie wakes to find herself in a mental asylum with no idea who she is or how she got there. Remnants of memories swirl in her mind: a familiar song, a storm, a moment of violence. Slowly, she begins to piece together the past and the events which brought her to this point. In the present day, Jonathan is grieving after the loss of his father. A cold, distant man, he was not easy to love, but at least while he lived, there was hope for reconciliation. Then a detective turns up on Jonathan's doorstep to question him about crimes he believes Jonathan's father may have committed long ago. As the two stories interweave, the devastating truth long kept hidden must emerge, and both Maggie and Jonathan are forced to come to terms with the consequences of the shocking and tragic events of over forty years ago. Passionate, intriguing, and beautifully written, it deserves to stand on the shelf next to Maggie O'Farrell's books. A powerful and talented new voice. Rachel Hore, bestselling author of *The Love Child*. If you love Maggie O'Farrell, you will love this. Veronica Henry, bestselling author of *The Long Weekend*. A brave and moving story about how much can be lost and what happens next. Alison Moore, author of Booker shortlisted *The Lighthouse*. All the Things We Never Knew Sheila Hamilton, 2015-10-13 A reporter chases the biggest story of her life: her husband's descent into mental illness. Even as a reporter, Sheila Hamilton missed the signs as her husband David's mental illness unfolded before her. By the time she had pieced together the puzzle, it was too late. Her once brilliant and passionate partner was dead within six weeks of a diagnosis of bipolar disorder, leaving his wife and nine-year-old daughter without so much as a note to explain his actions, a plan to help them recover from their profound grief, or a solution for the hundreds of thousands of dollars in debt that they would inherit from him. *All the Things We Never Knew* takes readers on a breathtaking journey from David and Sheila's early romance through the last three months of their life together and into the year after his death. It details their
