Regnerus,2007-03-01 Americans remain deeply ambivalent about teenage sexuality Many presume that such uneasiness is
rooted in religion But how exactly does religion contribute to the formation of teenagers sexual values and actions What
difference if any does religion make in adolescents sexual attitudes and behaviors Are abstinence pledges effective What
does it mean to be emotionally ready for sex Who expresses regrets about their sexual activity and why Tackling these and
other questions Forbidden Fruit tells the definitive story of the sexual values and practices of American teenagers paying
particular attention to how participating in organized religion shapes sexual decision making Merging analyses of three
national surveys with stories drawn from interviews with over 250 teenagers across America Mark Regnerus reviews how
young people learn and what they know about sex from their parents schools peers and other sources He examines what
experiences teens profess to have had and how they make sense of these experiences in light of their own identities as
religious moral and responsible persons Religion can and does matter Regnerus finds but religious claims are often swamped
by other compelling sexual scripts Particularly interesting is the emergence of what Regnerus calls a new middle class sexual
morality which has little to do with a desire for virginity but nevertheless shuns intercourse in order to avoid risks associated
with pregnancy and STDs And strikingly evangelical teens aren't less sexually active than their non evangelical counterparts
they just tend to feel guiltier about it In fact Regnerus finds that few religious teens have internalized or are even able to
articulate the sexual ethic taught by their denominations The only and largely ineffective sexual message most religious teens
are getting is Don't do it until you're married Ultimately Regnerus concludes religion may influence adolescent sexual
behavior but it rarely motivates sexual decision making *Investigation of Illegal Or Improper Activities in Connection with*
