Fulghum, 2007-04-15 The time is Earth Year 2333 AD a year at the beginning of a horrible new reality for civilization The location is the city of Chicago one of the last cities in the United States that remains But it too has suffered great devastation Death and destruction have been directed on it by the other cities that were caught up in what turned out to be a self-destructive competition to gain preeminence Most of the people are gone and the believers that remain in Chicago are thrust into survival mode Marduk a vicious leader of the forces loyal to the Leader sees the remnant as a threat and makes his personal goal to wipe them out Victor Steinhouse and his friends are all that stand in his way But who will win this contest of wills And what will it cost And will the believers glorify God as they deal with such opposition Yet the bigger question remains Is faith all you really need when faith is all you have

The Modern Myths Philip Ball, 2021-05-01 With The Modern Myths brilliant science communicator Philip Ball spins a new yarn From novels and comic books to B movies it is an epic exploration of literature new media and technology the nature of storytelling and the making and meaning of our most important tales Myths are usually seen as stories from the depths of time fun and fantastical but no longer believed by anyone Yet as Philip Ball shows we are still writing them and still living them today From Robinson Crusoe and Frankenstein to Batman many stories written in the past few centuries are commonly perhaps glibly called modern myths But Ball argues that we should take that idea seriously Our stories of Dracula Dr Jekyll and Mr Hyde and Sherlock Holmes are doing the kind of cultural work that the ancient myths once did Through the medium of narratives that all of us know in their basic outline and which have no clear moral or resolution these modern myths explore some of our deepest fears dreams and anxieties We keep returning to these

tales reinventing them endlessly for new uses But what are they really about and why do we need them What myths are still taking shape today And what makes a story become a modern myth In *The Modern Myths Ball* takes us on a wide ranging tour of our collective imagination asking what some of its most popular stories reveal about the nature of being human in the modern age
