The Digital NBA Steven Secular, 2023-06-20 The National Basketball Association reaches a global audience via a multiplatform strategy that leverages its uncanny ability to connect fans to all things NBA Steven Secular brings readers inside the league's global operations and traces the history of the NBA's approach to sports media from its 1980s embrace of cable through the streaming revolution of the twenty-first century As fans around the world stream games and other league content NBA teams incorporate foreign languages and cultures into broadcasts to boost their product's appeal to audiences in Brazil China and beyond Secular's analysis reveals how the NBA continues to transform itself into a wildly successful media producer and distributor more akin to a streaming studio than the sports leagues of old even as its media partners and sponsors erase any notion of sports as a civic good A timely look at a dynamic media landscape The Digital NBA shows how the games we love became content first and sport a distant second 2025 1000 1000 1000 (G-TELP) 1000 1000, 2025-02-10 7 170 1 Step by Step G TELP QR 65 Step by Step **DBase IV Versions 1.5/2.0 for Business** Roy Ageloff, Diane Zak, 1994-08 *Performing with Microsoft® Office 2003* Iris Blanc, Cathy Vento, Jean-Jacques Ed. Blanc, 2004-06 The *Performing Series* takes students to a higher level of learning through applied and project-based activities that go beyond the mechanics of the software Most textbooks begin by teaching students software skills The *Performing Series* presents various business documents first then shows students the Office 2003 skills they need to create them This approach shows students the relevance of what they are learning as they apply technology to task **HOW TO NFT** Benjamin Hor, Khor Win Win, Shaun Paul Lee, How can you make a NFT **Organizational Behavior in Sport Management** Christopher R. Barnhill, Natalie L. Smith, Brent D. Oja, 2021-04-09 This textbook presents a comprehensive analysis of organizational behavior in sport organizations from a practitioner's perspective It covers issues related to managing employees and work teams as well as organizational structure and culture in sport The book has four sections Organizational Behavior in the Sports Industry Getting to Know Employees and Volunteers of Sport Organizations Work Groups and Teams and Understanding the Organization Each chapter begins with a practitioner interview describing a challenge that was overcome by their organization That example is used to highlight applicable theories and interventions used in the industry Additional examples or theories are discussed to provide students a broad picture of managerial issues in the sports industry and provide alternative approaches to intervention illustrated in the practitioner interview The case studies offer the opportunity to practice and apply the ideas to real-world scenarios in the sports industry Students using this book will gain an understanding of how managers and leaders apply theory to communicate with and engage employees to foster desired organizational cultures while being challenged to address common issues using cases and hypothetical situations **Using HyperStudio** Ana Weston Solomon, 1999-05-18 This self-paced self-instructional guide provides the user with all the instruction necessary to become an expert in the use of HyperStudio Users will learn how to combine text sound graphics

and video quickly and easily to create professional multimedia projects and presentations This book is geared to be completed in 75 hours of study

The Extraordinary Brad Schaeffer, 2021-08-31 Wesley Scott is a teenage boy with autism He lives within his own intimate realm of sensory overload dysfunction sometimes violence and fear of the outside world He describes himself as the only actor on a stage without a script We learn through Wes own words that he is a deep thoughtful young man but no one knows it Wes is unable to connect with anyone other than his father a captain in the Marine Corps He in turn adores his extraordinary son his Ex man as he fondly calls him When Captain Scott ships off to fight in the Middle East Wes is confused and senses foreboding in what it all means although he cannot express it to his family friends or teachers With his father overseas Wes finds himself further isolated in a world of Ords his dad s term for the ordinaries unlike his Ex son and a stranger in his own family His mother is distant and cold his high school brother resents the inordinate attention his autistic brother constantly steals from him and his twenty something sister has chosen to move away from it all to Manhattan The burden on the family gets exponentially worse when Captain Scott returns home wounded The family tries to cope as best they can but when his father succumbs to PTSD Wes must somehow make sense of all that has happened which is difficult for a teenager under normal conditions let alone one on the autism spectrum who s suddenly lost the only family member who ever really bothered to know him The Scotts seem on the verge of unraveling and Wes finds himself in a bewildering land of family turmoil How will Wes come to understand this tragedy And how will the family ever come to fill the void left by a father who understood what the rest have yet to discover that Wes is an extraordinary young man indeed And that all of us no matter how much the world seems to scorn our existence or has simply forgotten our pain have something extraordinary to offer and make that world a better place Extraordinary is not just the title of this book it s a description of the beauty within the pages
