Classical Civilisation and Ancient History in British Secondary Education Edith Hall,Arlene Holmes-Henderson,2025-07-08 An Open Access edition will be available on publication on the Liverpool University Press website thanks to funding from the Arts and Humanities Research Council AHRC In the UK A Levels and GCSEs in Classical Civilisation and Ancient History offer exciting avenues through which to access the cultures of people who spoke ancient Greek and Latin and their neighbours across the ancient Mediterranean and Black Sea worlds They are inherently interdisciplinary offering an outstanding opportunity to study a civilisation in the round using diverse sources from literary and philosophical texts to legal documents inscriptions art architecture and archaeology Yet many people are either unaware of the existence of these courses or do not understand their contents This unprecedented study by two Classics Professors at the University of Durham with extensive experience of teaching in schools and HEIs charts the subjects historical development and emergence in their current form since the mid 20th century explaining and illustrating their contents It describes the skills and competencies that they confer which are valued by university admissions offices and employers alike

It presents the results of interviews with several significant participants in the story of these classical subjects and of questionnaires filled in by many additional teachers and students. It also offers practical advice on how to introduce Classical Civilisation and or Ancient History at secondary level with guides to bibliographical and other resources.

Questions and Answers about Ancient History Alex Woolf, 2012-04 Ancient History gives readers an incredible insight into all aspects of human life in the ancient world. From the earliest civilizations to the medieval period, readers will learn about art, architecture, culture, religion, and the remarkable individuals who shaped world history. Back cover

Mysteries in History: Ancient History Wendy Conklin, 2005-03 Challenge students to explore several important unexplained events that helped shape history. Students use primary source materials, posters, and simulations to find clues and to make informed decisions about these events. There are no right or wrong answers. These real life mysteries encourage students to research, think, debate, and form conclusions.

HSC Ancient History Peter Roberts, 2006 This comprehensive study guide covers every topic in the last two sections of the HSC Ancient History course and has been specifically created to maximise exam success. This guide has been designed to meet all study needs, providing up to date information in an easy to use format. This is the second of the two new Ancient History study guides. Excel Ancient History Book 2 contains a chapter on every topic available in the last two sections of the HSC course: Section III Personalities in their Times and Section IV Historical Periods, an introductory section on how to use the book with an explanation of exam requirements, revision questions in each chapter with answers and guidelines, comprehensive bibliography and further reading lists, key terms defined in each chapter, plus a glossary of terms, cross referencing between chapters for further information. Also available is Excel Ancient History Book 1 which covers comprehensive coverage of Sections I and II of the HSC course: Section I Personalities in the Times and Section II Ancient Societies.
