11 State Sprint

Katrin Zwirgmaier

11 State Sprint:

FCC Record United States. Federal Communications Commission, 2017 **Report of the Secretary of the Senate from ...** United States. Congress. Senate, 1992-10 *Index of Trademarks Issued from the United States Patent and Trademark Office* , 1997 **Official Gazette of the United States Patent and Trademark Office** , 1998 **Statement of Disbursements of the House** United States. Congress. House, 2002 Covers receipts and expenditures of appropriations and other funds *Federal Register* , 2002-02 *F&S Index United States Annual* , 1999 **Index of Patents Issued from the United States Patent and Trademark Office** , **Statistics of the Communications Industry in the United States** United States. Federal Communications Commission, 1989 *Monopolies Suck* Sally Hubbard, 2020-10-27 An urgent and witty manifesto *Monopolies Suck* lucidly explains how monopolies threaten democracy worsen inequality and imperil the American Dream and why it's more important than ever to take action David Cicilline Something's not right No matter how hard you work life seems to only get harder When your expenses keep going up but your income stays flat when you're price gouged buying medicine for your child's life threatening allergy when you live in a hyped up state of fear and anxiety monopoly power is playing a key role In *Monopolies Suck* antitrust expert and director at the Open Markets Institute Sally Hubbard shows us the seven ways big corporations rule our lives and what must be done to stop them Throughout history monopolists who controlled entire industries like railroads and oil were aptly called robber barons because they extracted wealth from everyone else and today's monopolies are no different By charging high prices skirting taxes and reducing our pay and economic opportunities they are not only stealing our money but also robbing us of innovation and choice as market dominance prevents new companies from challenging them They're robbing us of the ability to take care of our sick a healthy food supply and a habitable planet by using business practices that deplete rather than generate They're a threat to our private lives fair elections a robust press and ultimately the American Dream that so many of us are striving for In this accessible guide Zephyr Teachout author of *Break Em Up* Sally Hubbard gives us an easy to understand overview of the history of monopolies and antitrust law and urges us to use our voices votes and wallets to protest monopoly power Emboldened by the previous century when we successfully broke up monopoly power in the US we have the tools to dismantle corporate power again today before their lobbying threatens to undermine our economy and democracy for generations to come
