Goings on in Northern Territory politics from 2012 2016 may read like satire but it is all true These are stories you couldn t
make up This book is an instruction manual on how NOT to run a government In the Top End politics is not a numbers game
it is a blood sport In comparison to Rudd Gillard Abbott and Turnbull the goings on in the Northern Territory parliament are
like watching a troop of clowns throwing knives into each other s backs CROCS IN THE CABINET is partly a serious political
book partly a riotous look at the characters the scandals and the incompetence of Northern Territory politics It will make you
laugh cry wince and shake your head as you read of a minister with a hostess club bill a masturbating minister and the lewd
videos he sent someone other than his wife why a minister shouted we are in love on the floor of the parliament how the
Chief Minister stared down a coup how an MP forced the evacuation of a hotel why an MP went fishing instead of dealing
with leadership matters exactly how bonkers the NT parliament really is Written by two of the NT NEWS s best journalists
