**The Last Hurrah** Kyle Sinisi,2015-07-16 In the late summer of 1864 Confederate General Sterling Price led a last ditch attempt to liberate Missouri from Union occupation and brutal

guerrilla warfare Price's invading army was like few others seen during the Civil War. It was an army of cavalry that lacked men, horses, weapons, and discipline. Its success depended entirely upon a native uprising of pro-Confederate Missourians. When that uprising never occurred, Price's rag-tag army marched through the state seeking revenge, supplies, and conscripts. It was a march that took too long and ultimately allowed Union forces to converge on Price and badly defeat him in a series of battles that ran from Kansas City to the Arkansas border. Three months and 1,400 miles after it had started, the longest sustained cavalry operation of the war had ended in disaster. *The Last Hurrah* is the story of Price's invasion from its politically charged planning to its starving retreat. *The Last Hurrah* is also the story of what happened after the shooting stopped. Even as hundreds of Missourians followed Price out of the state and tried desperately to join his army, elements of the Union army visited retribution upon Confederate sympathizers while still others showed little regard for the lives of the prisoners they had captured. Many more would have to suffer and die long after Sterling Price had fled Missouri. **AAA Autograph** American Automobile Association, 1999.
