Alliance In Blood Partnership In Blood 1:

Cherish the Land Ariel Tachna, 2015-06-08 Sequel to *Conquer the Flames* Lang Downs Book Five Seth Simms never wanted to be a cowboy although to listen to his best friend Jason Thompson tell it he isn't one He just happens to have lucked out in coming to live on Lang Downs with his brother ten years ago He found enough stability to finish high school and go off to university but he never really believed Lang Downs would be the same haven for him that it had become for so many others He's too messed up in the head No one would accept someone with his issues All his life Jason has had one goal to come home to Lang Downs as resident veterinarian when they need his skills and jackaroo when they don't And it means he gets to spend time with Seth during his occasional visits even though his dream of going from friends to lovers is hopeless since Seth is straight When Seth unexpectedly comes home to stay Jason takes it as the boon it is But juggling a relationship with another jackaroo and his friendship with Seth isn't easy and that's before Jason realizes how deep Seth's issues run and how dangerously Seth chooses to cope with them

Once in a Lifetime Ariel Tachna, 2011-07-08 Offered a yearlong medical research fellowship in France Shane Johnson has many hopes for the experience a chance to improve his French an opportunity to hone his research skills before starting his PhD at Baylor and the freedom to live life as an openly gay man for the first time He'll chronicle his year abroad with its challenges victories and setbacks as he struggles to balance his faith with his sexuality As he navigates the shoals of a first kiss a first relationship and perhaps even lasting love Shane will have to balance his newfound emotions with his long term plans and he'll face the decision of how his once in a lifetime experience will fit into the life he wants to lead

Stolen Moments Ariel Tachna, 2011-12-26 After a year apart teacher Jacob Peters and county judge Beau Braedon decide they can't live without each other There are just a few small obstacles to their Alabama love story Jacob resents Beau's paranoia about being outed but Beau is convinced he'll lose his seat on the bench if he admits to their relationship and as a teacher at a Christian school Jacob's job is even more at risk They could relocate but Beau's mother has Alzheimer's and can't be moved And then there's the tiny issue of Jacob's infant son Finn and his mother whom Jacob wed out of duty In short they are stuck But Beau has a long term plan and he's prepared to swallow his fears and compromise with Jacob because sharing stolen moments is no longer enough

Covenant in Blood Ariel Tachna, 2014-10-31 Sequel to *Alliance in Blood Partnership in Blood* Volume Two The wizards and the vampires have forged an alliance based on blood and magic hoping to turn the tide of the war against the dark wizards A few wizard vampire bonds are as successful as Alain Magnier's and Orlando St Clair's but some are much less so leading to arguments resentment and outright fights between the allies despite their mutual goals Following his best friend Alain's example Thierry Dumont determinedly forms a partnership with vampire Sebastien Noyer despite the wizard's discomfort with being so close to a vampire a man so soon after his wife's death But they find that desperation may be the key to forming a covenant that works Thierry and Sebastien are almost immediately devoted to one another's safety With new strength behind it the Alliance's

leaders move to announce its existence to the whole world hoping to rally support against the dark wizards who threaten to destroy life as they know it Struggling to find its way in the expanding war the Alliance discovers that despite its advantages the partnerships are affecting the balance of magical power in the world which may be an even bigger threat than the war itself This second edition received minor revision and proofing for re release in honor of the publication of Partnership Reborn the final book in the series

The Guardian of Machu Llaqta Ariel Tachna, 2022-01-25 Professor Victor Itoua has two passions the legend of Philli philli and PhD candidate Jordan Harris But while ethics rules and his own doubts keep him from admitting much less acting on his feelings for Jordan nothing can stop him from researching the Philli philli Even if it means the torture of spending six months in the Peruvian rainforest searching for an elusive possibly mythical guardian with the man he loves and can't have For Jordan with his history of abuse and abandonment Victor is the one good constant thing in his life When Victor asks him to come to Peru Jordan packs his bag prepared to follow Victor anywhere the legends take them Then in a remote village Jordan and Victor meet T ukri T ukri is shaken when he realizes who the outsiders are and what they are looking for Though he agrees to guide them on their quest he is drawn by a deeper calling But the more he shares with Victor and Jordan the more questions they have questions whose answers require him to reveal secrets that could mean his death should the men he is falling in love with betray his trust

Ice Bowl Mike Shropshire,2014-09-07 Some athletes never stop playing Some rivalries transcend the gridiron Some games last forever The Green Bay Packers and Dallas Cowboys engaged in a fierce rivalry in the 1966 season culminating in the Packers defeating the Cowboys to win the NFL championship The next year they clashed again and the result is a game that only needs three words to evoke lasting images from every player every coach and every fan who witnessed it The Ice Bowl The final game of the 1967 season has become one of the most storied contests in NFL history and sportswriter Mike Shropshire author of SEASONS IN HELL brings it all back to life in his panoramic look at the events leading up to the game and how the game influenced both franchises going forward With photos and insight into the players who battled as well as those who witnessed THE ICE BOWL is a must read for fans of every down Rethinking Public-Private Partnerships

Carsten Greve,Graeme Hodge,2013-05-07 The global financial crisis hit the world in a remarkable way in late 2008 Many governments and private sector organizations who had considered Public Private Partnerships PPPs to be their future were forced to rethink their strategy in the wake of the crisis as a lot of the available private funding upon which PPPs relied was suddenly no longer available to the same extent At the same time governments and international organizations like the European Union were striving to make closer partnerships between the public sector and the private sector economy a hallmark for future policy initiatives This book examines PPPs in the context of turbulent times following the global financial crisis GFC PPPs can come in many forms and the book sets out to distinguish between the many alternative views of partnerships a project a policy a symbol of the role of the private sector in a mixed economy or a governance tool all within a particular cultural and historical context This book is about rethinking PPPs in the wake of the financial crisis and aims to give a clearer picture of the kind of conceptual frameworks that researchers might employ to now study PPPs The crisis took

much of the glamour out of PPPs but theoretical advances have been made by researchers in a number of areas and this book examines selected new research approaches to the study of PPPs **Mergers, Acquisitions, and Other Restructuring**

David Sabeau, 2023-10-24 The origins of the incest taboo have puzzled many of the most influential minds of the West from Plutarch to St Augustine St Thomas Aquinas Martin Luther David Hume Lewis Henry Morgan Sigmund Freud Emile Durkheim Edward Westermarck and Claude Lévi Strauss This book puts the discussion of incest on a new foundation It is the first attempt to thoroughly examine the rich literature from philosophical theological and legal treatises to psychological and biological genetic studies to a wide variety of popular cultural media over a long period of time The book offers a detailed examination of discursive and figurative representations of incest during five selected periods from 1600 to the present The incest discussion for each period is complemented with a presentation of dominant kinship structures and changes without arguing for causal relations Part I deals with the legacy of ecclesiastical marriage prohibitions of the Middle Ages Historians dealing with the Reformation have wondered about the political and social implications of theological debates about the incest rules the Enlightenment opted for sociological considerations of the household and a new anthropology based on the passions Baroque discourse focused upon sexual relations among kin by marriage while Enlightenment and Romantic discussions worried the intimacy of siblings The first section of Part II deals with the six decades around 1900 during which European and American cultures obsessed about the sexuality of women Almost everyone concurred in the idea that mother made the family what it was that she configured the household kept the lines of kinship vibrant and stood at the threshold as stern gatekeeper and many thought that she managed these tasks through her sexuality and an eroticized relationship with sons Another story line taken up in the section Intermezzo this one about the physical and mental consequences of inbreeding appeared after 1850 To what extent do close kin marriages pose risks for progeny At its center lay the incest problematic now restated Is avoidance of kin genetically programmed Do all cultures know about risks of consanguinity As for the twenty first century evolutionary and genetic assumptions are challenged by a living world population containing roughly one billion offspring of cousin marriages Part III deals with one of the perhaps most remarkable reconfigurations of Western kinship in the aftermath of World War I The shift from an endogamous to an exogamous alliance system centered on

the nuclear family An historical anomaly this family form began to dissolve almost as soon as it came together and in the process shifted the focus of incest concerns to a new pairing father and daughter By the 1970s when the father daughter problematic swept all other considerations of incest aside that relationship had come to be modeled for the most part around power and its abusive potential As for incest its representations in the last three decades of the twentieth century no longer focused on biologically damaged progeny but rather on power abuses in the nuclear family sexual abuse By the mid 1990s Western culture at least partly redirected its gaze away from father and daughter towards siblings especially towards brothers and sisters and the sexual boundaries and erotics of their relationships Correspondingly siblings became a model organism for psychotherapy evolutionary biology and the science of genetics **International Journal of Korean Studies**
