Learning to Importune in Prayer Zacharias Tanee Fomum, 1900

The Holy art of importunate praying and intercession Importunity says Prof Fomum is the cry of a man in extreme danger It is madly asking God to open a door through the wall of a situation until the door is opened Importunity has God's interest in view it is taking no rest until God is moved to do that which He alone must do He affirms that when God gives you a number of problems to which man has no answers then He has promoted you He has given you materials for importunity praying God's purposes in the New Covenant are tied to the Spirit filled life Christian service also starts with this quality of life He reiterates his heart's cry to see the leader strive to be Spirit filled and press on to attain to the fullness of the Holy Spirit We send out this book with prayer that the Lord would use it to produce men and women of importunate praying watchmen at the gates of Jerusalem

The Complete Works of Zacharias Tanee Fomum on Leadership (Volume 5) Zacharias Tanee Fomum, 1900 The Complete Works of Zacharias Tanee Fomum on Leadership Volume 5 contains the following books Church Planting Strategies In the Crucible for Service Prerequisites for Spiritual Ministry Laws of Spiritual Success Making Spiritual Progress Volume 3 This ecstatic and exciting volume opens with church planting strategies These strategies for planting churches are many and varied You cannot plant churches without seriously considering and deploying elements such as prayer fasting preaching character and service It is not all the church planting strategies that you will apply in all situations Every situation demands serious knowledge of the people involved the setting and the characteristics of the place It also requires God's specific instructions peculiar to the people or the place Some people think that service is an easy thing It may be simple but it is not simplistic Service is hard hazardous but hope bringing That is why those who serve find themselves in a crucible in which they burn until they are brought out for their promotions Are you ready to face your own fiery furnace Are you ready to face your own lion's den like Daniel Are you ready to face a

prison like Joseph son of Jacob Are you ready to face your own cross like Jesus of Nazareth If you fear fire lions prison the cross and such debilitating things you fear leadership Power Through Prayer Edward M Bounds,2024-07-10 Power Through Prayer by E M Bounds is a classic Christian work on the importance and practice of prayer Bounds emphasizes the necessity of prayer in the life of a believer particularly for those in ministry He explores how prayer empowers preachers and believers to fulfill their spiritual duties and maintain a close relationship with God The book is well regarded for its deep insights into the power and effectiveness of persistent heartfelt prayer Believers Irene Minza John,2012-08-20 Believers is a dramatised account of the lives of three young girls their respective families and their walk in faith It shows how the word of God the grace of God and mercy can deliver you Rose is a girl born into a religious family whose life was influenced by three religious matriarchs Due to circumstances beyond her control she finds herself in a foreign country Through a friend she becomes a born again Christian Mercedes is a born again girl who like her mother before her has a teenage pregnancy The situation brings anger that festers into bitterness unforgiveness and emotional wounds Her faith brings emotional healing and reconciliation to her family Fiona is a product of a deceitful relationship that is on a downhill spiral She accepts Jesus as her Lord and Saviour and manages to turn her life around by putting her trust in the Lord The Hidden Power of Forgiveness Joseph Nipah,2014-10-15 The tendency for a person to feel emotionally hurt when mistreated is natural with every normal human being However failing to deal appropriately with emotional hurts could sink one into the subtle but deadly trap of bitterness Once emotional pain is allowed to reach this level it becomes difficult to deal with it It could eventually end up with damaging consequences for the heart harboring it In this book Dr Joseph Nipah explains how the Lord opened his eyes to understand how bitterness keeps many Christians in prison preventing many from enjoying total deliverance and denying others of the peace and blessings which God has kept in waiting for them He explains why you should not allow the disappointments traumas and abuses you experience in life to take over the space where Gods love is meant to fill This book will challenge your justification to remain bitter against anyone and offer you a soothing balm to heal the deep wounds in your heart The Hidden Power of Forgiveness will help you to Understand the difference between hurt and bitterness Be aware of the damaging consequences of living in bitterness and appreciate the need to free your heart from its grips Discover the full power in forgiving the wrongs others have committed against you Find practical help in crossing over the barrier of unforgiveness to let go of the pains which may have pushed your blessings out of your reach Get ready to be challenged by the hidden power of forgiveness like you have never been before Church Planting Strategies Zacharias Tane Fomum,2016-08-13 This book explains who is qualified to plant churches and how to go about the work of church planting The author highlights that a church planter who is a lover of the world has no message to preach because the love of the Father is not in Him The man with a corrupt conscience will plant a church laden with people of corrupt conscience The man who is desperate to know God will produce spiritual children who are desperate to know God A leader

who will plant churches must be one who is separated from the common. It is by ruthless paying of the price through prayer, fasting, giving to God, and so on that one can penetrate and establish new domains in the enemy's realm. He that will truly serve the Lord in soul winning and church planting needs to see for where there is vision there will be a burden. Burden leads to action. Do you want to become a church planter? Then you need to read this book. *Preacher and Prayer* Edward M. Bounds, 2025-08-15. Reproduction of the original. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. *Witchcraft, Demons and Deliverance* Claudia Währisch-Oblau, Henning Wrogemann, 2015. Beliefs in witchcraft and demons still shape many societies and seem to be increasing rather than disappearing with modernization and urbanization. Witch hunts in Africa and Asia show the scope of the problem. The deliverance practices of pentecostal and charismatic churches are widely controversial and their effects are rather ambiguous. The contributions in this volume, written by experts and practitioners from four continents, analyze these phenomena from the perspectives of intercultural theology, anthropology, and ethnology and also describe the responses of Catholic and Protestant churches. Series: Contributions to Mission Science, Intercultural Theology, Beiträge zur Missionswissenschaft, Interkulturellen Theologie, Vol. 32. Subject: Anthropology, Ethnology, Sociology, Religious Studies. Law, Religion and the Environment in Africa M. Christian Green, Muhammed Haron, 2020-06-03. This volume explores themes of ecotheology, ecofeminism, environmental pollution and degradation, climate change, human and environmental rights, sustainable development, human-animal relations through totem and taboo, sacred sites and spaces, and other environmental topics in ways that add immeasurably to the study of African environmentalisms and the interaction of law and religion. In terms of religion, the capability of humans not only to sin and destroy the earth but also to repair and redeem it is very much in evidence across Christianity, Islam, and Africa's many indigenous religious and cultural traditions. In terms of law, the need for effective policies and for states and governments to work with indigenous groups and communities towards environmental solutions is also apparent. *Charismatic Christianity as a Global Culture* Karla O. Poewe, 1994. In this important work, leading scholars in the fields of religion and anthropology discuss the thought patterns and religious traditions of charismatics throughout the world. By examining believers throughout the Americas, Africa, Asia, and Europe, the contributors provide a comprehensive overview of a charismatic tapestry that appears to transcend national, ethnic, racial, and class boundaries.
