Almost A Virgin Virgins No More :

Virginity Lost Laura Carpenter, 2005-11 Includes information on abstinence focused sex education African Americans Asian Americans birth control born again virginity chastity coming out conservative Christians definitions of virginity loss double standard Latinos Latinas oral sex race ethnicity rape religion secondary virginity stigma technical virginity etc **Virgin Envy** Jonathan A. Allan, Cristina Santos, Adriana Spahr, 2016-11-15 Virginity is of concern here that is its utter messiness At once valuable and detrimental normative and deviant undesirable and enviable Virginity and its loss hold tremendous cultural significance For many female virginity is still a universally accepted condition something that is somehow bound to the hymen whereas male virginity is almost as elusive as the G spot we know it s there it s just we have a harder time finding it Of course boys are virgins queers are virgins some people reclaim their virginities and others reject virginity from the get go So what if we agree to forget the hymen all together Might we start to see the instability of terms like untouched pure or innocent Might we question the act of sex the very notion of relational sexuality After all for many people it is the sexual acts they don t do or don t want to do that carry the most abundant emotional clout Virgin Envy is a collection of essays that look past the vestal virgins and beyond Joan of Arc From medieval to present day literature the output of HBO Bollywood and the films of Abdellah Ta a or Derek Jarman to the virginity testing of politically active women in Tahrir Square the writers here explore the concept of virginity in today s world to show that ultimately virginity is a site around which our most basic beliefs about sexuality are confronted and from which we can come to understand some of our most basic anxieties paranoias fears and desires **Eloquent Virgins** M. McInerney, 2003-10-24 The tales of the virgin martyrs inevitably emphasize the torture and mutilation of beautiful young women To the modern reader these popular texts seem like exercises in sadism but while they could be made to function as vehicles for active misogyny they also provided Medieval women such as Hildegard of Bingen and Joan of Arc with role models who helped them to shape their own extraordinary destinies This book explores the ability of the virgin body to generate contradictory meanings both repressive and liberating depending on who told the tale and how it was told **No Man Knows the Night** Hans Christian Branner, 1958 **De Institutione Feminae Christianae** Juan Luis Vives, 1996 Vives tract on the education of women De Institutione Feminae Christianae 1524 revised 1538 became a model for conduct books in various Protestant traditions and as such has always been of interest to historians of education However the treatise also made a very important contribution to the querelle des femmes of its time and has consequently generated much interest among modern historians of women and gender It consists of 3 books one for each stage of woman s life maidenhood marriage and widowhood The only English translation of the text on offer till now was the inaccurate and free version of Richard Hyrde a friend of Thomas More published early in the 10th century by Foster Watson but now unavailable This edition offers a new Latin text with a double apparatus and a facing page English translation with notes with an introduction to the edition and the text Volume I 1996

contains Book I volume 2 covers Books II III **The Consummate Virgin** Jodi McAlister,2020-08-25 This book is a study of female virginity loss and its representations in popular Anglophone literatures It explores dominant cultural narratives around what makes a good female virginity loss experience by examining two key forms of popular literature autobiographical virginity loss stories and popular romance fiction In particular this book focuses on how female sexual desire and romantic love have become entangled in the contemporary cultural imagination leading to the emergence of a dominant paradigm which dictates that for women sexual desire and love are and should be intrinsically linked together something which has greatly affected cultural scripts for virginity loss This book examines the ways in which this paradigm has been negotiated upheld subverted and resisted in depictions of virginity loss in popular literatures unpacking the romanticisation of the idea of the right one and the right time **Unquenchable Love** Rene Erwich,Almatine Leene,2024-08-01 More than ever before there is a need for in depth dialogue between theology and sciences with regard to gender and human sexuality This is especially true for Christian communities that are increasingly challenged by the many questions and experiences people have This book provides the material to explore the various views and bring them together from a Christian perspective based on a theological account of desire It shows how gender sexuality and faith are positively connected without losing out on deep Christian values and norms The Education of a Christian Woman Juan Luis Vives,2007-11-01 From meetings and conversation with men love affairs arise In the midst of pleasures banquets dances laughter and self indulgence Venus and her son Cupid reign supreme Poor young girl if you emerge from these encounters a captive prey How much better it would have been to remain at home or to have broken a leg of the body rather than of the mind So wrote the sixteenth century Spanish humanist Juan Luis Vives in a famous work dedicated to Henry VIII s daughter Princess Mary but intended for a wider audience interested in the education of women Praised by Erasmus and Thomas More Vives advocated education for all women regardless of social class and ability From childhood through adolescence to marriage and widowhood this manual offers practical advice as well as philosophical meditation and was recognized soon after publication in 1524 as the most authoritative pronouncement on the universal education of women Arguing that women were intellectually equal if not superior to men Vives stressed intellectual companionship in marriage over procreation and moved beyond the private sphere to show how women s progress was essential for the good of society and state A Dictionary of the Bible: A-Feasts James Hastings,John Alexander Selbie,Andrew Bruce Davidson,Samuel Rolles Driver,Henry Barclay Swete,1898 The Perpetual Virginity of Blessed Virgin Mary St. Jerome,2019-12-07 The perpetual virginity of Mary is a Marian doctrine taught by the Catholic Church and held by a number of groups in Christianity which asserts that Mary the mother of Jesus was always a virgin before during and after the birth of Jesus Christ **The Meanings of Menopause** Ruth Formanek,2013-05-13 In this scholarly compilation of a major event in the life of every woman editor Ruth Formanek has adopted an avowedly multidisciplinary mandate to illuminate menopause as both an event and a stage of life

by gathering together a variety of discipline specific meanings and research perspectives The result is an admirably comprehensive study that not only charts the premodern meanings of menopause but proceeds to examine menopause from current biomedical endocrinological cultural and psychological perspectives Ample attention is given to the psychosocial influences on menopause and to cross cultural variations in the experience of and life adjustments that follow menopause Societal and familial attitudes toward menopausal women are also explored through an examination of women in classical and modern literature Clinical contributions review psychoanalytic perspectives on menopause elucidate the individual meanings of the menopausal experience uncovered in therapy and consider male views of menopausal women Collectively the contributors to this volume remedy the scant attention menopause has heretofore received in the psychological and psychotherapeutic literature They not only explore the range of issues associated with menopause but address these issues in the context of the various myths and superstitions about menopause that have endured over the centuries Essential reading for students of human development gender issues and women's studies *The Meanings of Menopause* is for helping professionals an invaluable source book on a life event fraught with psychological significance **Gateway to Heaven** Brian Reynolds, 2012 This first volume lays out all the Marian doctrines and their evolution in a clear and easy to follow format as well as providing two chapters on patristic and medieval devotion Graphic Showbiz Nanabanyin Dadson, 2005-08-25

Virginity in Young Adult Literature after Twilight Christine Seifert, 2015-01-27 Around 2005 something surprising happened in young adult literature YA books became obsessed with presenting characters who wanted to have sex but couldn't at least not without losing something vital to their identity Since the publication of *Twilight* the YA market has been flooded with books that feature naive virgins finding true love While some YA novels do present nuanced depictions of sex

and of healthy sexual relationships the fiction most popular with young adult readers presents adolescent girls as virginal sex objects waiting to be fulfilled by their love interests In *Virginity in Young Adult Literature after Twilight* Christine Seifert looks at an alarming trend in YA novels Labeling this phenomenon abstinence porn Seifert argues that these novels that fetishize virginity are harmful to readers Like pornography such works reduce female characters to objects whose sexual acts are the sole expression of their identities Chapters in this book examine paranormal dystopian and contemporary romance paying particular attention to recurring virginity themes or tropes The book also provides an antidote by showing how some sex positive teen novels provide more empowering messages to readers Organized by genre the books were selected for this study based on their popularity with teens Exploring how messages about virginity are sustained and repeated from text to text this book also calls out key reader reactions to demonstrate how they are responding to these messages Featuring a list of discussion questions *Virginity in Young Adult Literature after Twilight* will be a valuable resource for teachers librarians parents and mature young adult readers
