Observatory in Twelve Circular Maps Richard A. Proctor, 2025-07-22 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The White Mountain Guide*

Book. Second edition Samuel C. EASTMAN (of Concord, N.H.), 1867 *Alaska Adventure Guide* Melissa

DeVaughn,2011-01-15 The author has worked to answer all your questions about travel and recreation in a state so remote This guide attempts to target your interests and save you time money and effort so that nothing is wasted during your trip Because Alaska is so big and your options so varied the guide is organized so you can zero in on the activity or activities that appeal to you most Thirteen chapters focus solely on adventure travel each devoted to a single activity The five regional chapters that follow focus primarily on the basics in a given area of the state getting around shopping lodging dining and entertainment Once you ve chosen the adventure of your dreams you can go to the appropriate regional chapter to get the scoop on the best places in the vicinity to stay eat buy gear rent a car and learn about local culture and history Outdoor travelers also are likely independent travelers A multitude of companies offer exciting sounding jaunts to scenic places all over the state but many of these outfits work only with tour providers such as cruise ship operators to obtain large numbers of clients per trip thus excluding people who wish to travel on their own In this guide all our listings are available to independent travelers as well as those in tour groups The objective is not to provide the most information about destinations or attractions but rather the most useful information The guide is opinionated and for good reason Any destination or outfitter listed here has made the cut by proving itself a wonderful place to visit or a reliable company with which to do business If for example you want to learn more about sea kayaking in Alaska you will not be supplied with every operation in the business and believe us there are many of them competing for your dollars What you will get is a select assortment of those we consider best and why After all isn t the point of a guidebook to help you make the most informed choices

Histological Demonstrations: a guide to the microscopical examination of the animal tissues in health and disease ... Being the substance of lectures ... Edited by G. T. Brown, etc George HARLEY (M.D.),1876 Aconcagua
Joy Logan,2011-11-01 Aconcagua is the highest mountain in the Americas and the tallest mountain in the world outside of the Himalayas Located in the Andes Mountains of Argentina near the city of Mendoza Aconcagua has been luring European mountain climbers since 1883 when a German ge ologist nearly reached the mountain s summit A Swiss climber finally made the ascent in 1897 In this fascinating book Joy Logan explores the many impacts of mountaineering s discovery of Aconcagua including its effect on how local indigenous history is understood The consequences still resonate today as the region has become a magnet for adventure travelers with about 7 000 climbers and trekkers from all over the world visiting each year Having done fieldwork on Aconcagua for six years Logan offers keen insights into how the invention of mountaineering in the nineteenth century and adventure tourism a century later have both shaped and been shaped by local and global cultural narratives She examines the roles and functions of mountain guides especially in regard to notions of gender and nation re reads the mountaineering stories forged by explorers scientists tourism officials and the gear industry and considers the distinctions between foreign and Argentine climbers some of whom are celebrities in their own right In Logan s revealing analysis Aconcagua is emblematic of the tensions produced by modernity nation building tourism development and re

ethnification The evolution of mountain climbing on Aconcagua registers seismic shifts in attitudes toward adventure the national and the global With an eye for detail and a flair for description Logan invites her readers onto the mountain and into the lives it supports Backpacker ,1985-05 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured
