Rccg Sunday School Student Manual:

Visions of the Good Life, 2025-11-13 There is something wrong with us and the world we find ourselves in In the Christian tradition the concept of God's salvation describes the divine intervention to overcome this brokenness However such language might easily be misunderstood in the increasingly secular West To make the reality of the doctrine of salvation understandable relevant and attractive for Europeans in the West we might begin to think of it more in terms of relationship well being and wholeness Using a Biblical term salvation is about the Shalom of the Reign of God This volume explores the lived salvation practices of faith communities and missions and their conceptualisations in the West how is the good life perceived and practiced Contributors are Clive Marsh Jan Martijn Abrahamse Dejan A daji K Francis Adebayo Philip Bartholom Janel Kragt Bakker Nigel Rooms Karen Zwijze Koning Hans Schaeffer Berdine van den Toren Lekkerkerker Jack Barentsen Chris James Sake Stoppels Annemieke de Jonge Bert Roor Evelien van Duffelen Harvey Kwiyani James Butler Kathy Ross Ross Lockhart and Stefan Paas Nigerian Pentecostalism and Development Richard Burgess, 2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with Islam for dominance in Nigerian public space Some scholars suggest that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States Nigerian Pentecostalism and Development Spirit Power and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development and to development practitioners and policy makers working in the region

A New Paradigm of Pentecostal Power Asonzeh F. K. Ukah, 2008 Ukah describes with great historical and sociological incisiveness one of the prime movers of this transformation the Redeemed Christian Church of God RCCG which has more than 10 000 congregations in more than 80 countries around the world **Sunday School Lessons 1968-69**, 1968
