

A large blue and black APU (Auxiliary Power Unit) is being hoisted by a crane at an airport terminal. The APU is suspended by a blue cable and is positioned in the center of the frame. The background shows the complex steel structure of the terminal's roof, with numerous wooden beams and metal supports. The APU has a blue conical top and a black body with various mechanical components visible. The overall scene is a high-angle shot looking down into the terminal's interior.
