Fuzzy Logic in Financial Analysis Anna Maria Gil-Lafuente, 2006-06-10 In today s increasingly complex and uncertain business environment financial analysis is yet more critical to business managers who tackle problems of an economic or business nature Knowledge based on formal logic and even experience becomes less sufficient This volume systematically sets out the basic elements on which to base financial analysis for business in the new century It incorporates a previous work that can serve as the basis and foundation for the new contributions that are now being made in the field of financial economy and intend to provide business with instruments and models suitable for dealing with the new economic context In dealing with rapid and unpredictable changes in technological and business conditions it postulates a growing reliance on the opinions of experts instead of past data or probabilistic forecasts which is a radical change but may yield fruitful results For this reason much

emphasis is devoted to the problem of aggregation of the opinion of experts in the financial field with the object of limiting wherever possible the subjective component of the opinions and making sure that the decisions have the best guarantee of reaching the desired objectives

Hospitality Management Accounting Martin G. Jagels, 2006-03-03 Hospitality Management Accounting 9th Edition The success of every business in the hospitality industry depends on maximizing revenues and minimizing costs This Ninth Edition continues its time tested presentation of fundamental concepts and analytical techniques that are essential to taking control of real world accounting systems evaluating current and past operations and effectively managing finances toward increased profits It offers hands on coverage of computer applications and practical decision making skills to successfully prepare readers for the increasingly complex and competitive hospitality industry For additional hands on practice purchase Student Workbook and Study Guide to Accompany Hospitality Management Accounting Ninth Edition ISBN 0 471 68926 2
