## **Anatomy Question Paper Format:**

*Teaching Anatomy* Lap Ki Chan, Wojciech Pawlina, 2015-01-29 *Teaching Anatomy A Practical Guide* is the first book designed to provide highly practical advice to both novice and experienced gross anatomy teachers. The volume provides a theoretical foundation of adult learning and basic anatomy education and includes chapters focusing on specific issues that teachers commonly encounter in the diverse and challenging scenarios in which they teach. The book is designed to allow teachers to adopt a student centered approach and to be able to give their students an effective and efficient overall learning experience. Teachers of gross anatomy and other basic sciences in undergraduate healthcare programs will find in this unique volume invaluable information presented in a problem oriented succinct and user friendly format. Developed by renowned expert authors, the chapters are written concisely and in simple language and a wealth of text boxes are provided to bring out key points to stimulate reflection on the reader's own situation and to provide additional practical tips. Educational theories are selectively included to explain the theoretical foundation underlying practical suggestions so that teachers can appropriately modify the strategies described in the book to fit their own educational environments. Comprehensive and a significant contribution to the literature, *Teaching Anatomy A Practical Guide* is an indispensable resource for all instructors in gross anatomy.
