also detect a early separation of Jewish and Christian communities in Rome In the second century several prominent philosophical teachers came to Rome and taught the Christian message from their respective viewpoints To these belong Marcion Valentinus Justin Martyr and Tatian The diverse interpretations of the Christian message resulted in the formation of different communities e g the Marcionites the Valentinians and the main church to which apparently Justin belonged The book also examines the archaeological remains of the early Christians Although the evidence is sparse some things can be said about the burial places of Peter and Paul and about the so called house churches of early Christians Taken together the articles in this volume will advance the discussion about Christianity in Rome in the first three centuries **Women in**

**Early Christianity** David M. Scholer,1993 First Published in 1993 Routledge is an imprint of Taylor Francis an informa company Bible Problems Solved by Early Christians David W. T. Brattston,2020-10-13 This book deals with questions or problems encountered in the Bible where answers can be found in the ante Nicene fathers The fathers were uniquely qualified by being close in time and culture to Christ himself when his unwritten teachings and Scripture interpretations and those of the apostles were still fresh in Christian memory It is designed for sincere readers of the Bible who may from time to time be puzzled by the occasional passage which seems out of step with the rest of the Scriptures or our usual impression of Christian teaching This work is written for individual and group Bible students without advanced theological qualifications rather than the intellectual market It is written for use in Bible studies in local congregations or church history classes especially in sessions when the pastor or teacher is unable to attend Bible Problems Solved by Early Christians is different from almost all other works and ministries which give solutions to problems or questions because the answers in the book come not from a modern day comparison of different verses within the Bible itself or from the interpretations of any particular religious denomination but from Christian writers who lived in the first centuries after Jesus *Writing the History of Early Christianity* Markus Vinzent,2019-03-14 Brings a new approach to the interpretation of the sources used to study the Early Christian era reading history backwards This book will interest teachers and students of New Testament studies from around the world of any denomination and readers of early Christianity and Patristics **Pagans and Christians in Late Antiquity** A.
