Originally published as *So Into You* **The President's Angel** Carla Bruce, 2011-03-30 When their candidate for president dies from a massive heart attack on the eve of the party's convention the committee scrambles to find a replacement They agree that the cowboy charm of Drummond Wakefield junior senator from Wyoming is their best bet Appalled at first at the idea of becoming a replacement candidate and with only hours to make a decision Drum weighs the options and decides to go for it A major factor in his decision is the opportunity to run a campaign with no negative or derisive comments about the opposition This creates problems for the party chairman but Drum stands firm Three days after winning the election by a narrow margin he and his team fly to the family ranch in Wyoming to relax On a horseback ride to his favorite place in the mountains an angel appears to Drum and informs him that God has an important role for him to play in the restoration of godly values in America The idea of a God so vitally and personally involved in his life continually keeps Drum off balance He must deal with the puzzled reactions of his wife and others He reveals his renewed commitment to God but does not broadcast the story of the angels visit His boldness to propose new ways to deal with old issues upsets the status quo and a blackmail attempt forces him to admit and deal with an incident from his past As the light that has entered the president's life shines brighter penetrating the darkness of people and situations around him opposition escalates and culminates with an assassination attempt

All About Janet, the Murder of my Guardian Angel Forrest Canutt, 2017-01-25 In October of 1956 my twelve year old newly adopted orphan babysitter Janet Cash and I were staying the night alone on my uncle's northern California ranch During the night we were attacked by three men two of them were US Navy sailors Janet was beaten and gang raped by the three men throughout the night and I was tortured and assaulted In the morning Janet was taken to an area called the flats and viciously murdered by the two US Navy sailors They then buried Janet in a clandestine grave on my uncle's ranch For over twenty five years I have been looking for Janet I haven't found her yet but I have found two major news organizations and three government agencies that have conspired to cover up her disappearance murder and even her very existence Throughout those years I have been stonewalled been refused any information that might lead me to her But in spite of their efforts I have gathered enough proof and information to lead me to believe that my babysitter Janet wasn't just some sweet beautiful and courageous young girl from a broken home but quite possibly an important young girl maybe a very important young girl and if the right people knew about her back then her mere existence might have changed

some important people's lives and or even changed history I am determined now more than ever to find her and learn as much as I can about her You see she saved my life several times during this tragic ordeal so I owe her my life and I feel that finding her is the very least I can do to repay her and exposing the truth about what happened to her is just as important I believe that the path to the truth to this tragic mystery lies waiting in an unmarked grave in her bones in her DNA *The Angel Falls Option* , **Conrad's Angel** Stuart Slade,2018-10-05 Conrad de Llorente Inquisitor A Soul Eternally Damned After centuries tormented by guilt Conrad's work saving the innocent finally won him a measure of peace and at least some of the Redemption he craves Now respected by his peers he lives in Bangkok and carries on his work protecting those unjustly condemned and who have nowhere else to turn It is here that he faces his greatest ever challenge a young woman who survived a horrifying attack as a child and has now become a career criminal Conrad faces a new and unprecedented challenge Knowing that Angel was betrayed by her family and believing his Church was responsible for the path her life has taken he feels obliged to try and save her soul Yet how does he go about saving somebody who does not want to be saved and redeeming a soul that spurns redemption Driven by the principle of hating the sin but loving the sinner Conrad accepts this new challenge and is determined to save Angel's soul if necessary at cost of his own [An Angel's Faith](#) Michael Wayne,2008-12-17 Robert Striker a retired ex military man whom in the middle of questioning his life is approached by Margaret Peterson a beautiful intelligent woman Worried and frightened she asked him to help solve the mystery of an ominous letter from her missing sister and a threatening phone call from a mysterious man During his investigation Robert uncovers a conspiracy by desperate men trying to retrieve a black box that was stolen from their boss As a romance blossoms between the two the box and its contents will put both Robert and Margaret's lives in jeopardy and cost many others their lives The one who ends up with and reveals the contents of the black box will be shocked at what they find *When God Happens: Angels, Miracles, and Heavenly Encounters* Angela Hunt,Bill Myers,2019-04-16 PRAISE FOR THE WHEN GOD HAPPENS SERIES Reading When God Happens is like receiving an intravenous dose of hope in a world parched by hopelessness It will remind you not just to hope for miracles but to expect them Melanie Hemry Guideposts magazine writer and author of fifty four books A powerful read Dimas Salaberrios author of Street God True stories like these require those who don't believe in angels to explain the unexplainable Cal Thomas syndicated columnist A diesel mechanic is smashed under the weight of a logging truck A child's inner tube is sucked out of a peaceful stretch of water into a frothing patch of dangerous rapids A woman searching for peace is met with an icy chill when she begins arranging runestones In all these stories there is one common thread God's angels are waiting and ready to powerfully intervene If you have ever doubted the presence of angels or questioned whether God is still acting through them this book will inspire you to look beyond your everyday perceptions In the follow up to their 2018 title When God Happens True Stories of Modern Day Miracles bestselling authors Angela Hunt and Bill Myers invite you into the miraculous sharing nineteen true firsthand testimonies of angelic
