Information and Communication Technologies in Public Administration Christopher Reddick, Leonidas Anthopoulos, 2015-04-08 An examination of how information technology IT can be used in public administration Information and Communication Technologies in Public Administration Innovations from Developed Countries examines global perspectives on public administration and IT innovations This book illustrates the theoretical context of current policies issues and imp

Take Control of Your Drinking Michael S. Levy, 2021-01-12 Accepting that there is no one size fits all approach to controlling drinking the latest edition of this bestselling book will help you assess your drinking and determine whether moderation or abstinence is the best path for you For decades the standard treatment for people struggling with alcohol consumption has focused on convincing them to admit that they are an alcoholic to stop drinking entirely and to enter into a program most commonly Alcoholics Anonymous But in his more than thirty five year career as an addiction specialist working with people who want to change their drinking habits Michael S Levy has found that the routes to behavioral change actually vary And although abstinence is the successful route for many people others can moderate their drinking on their own or with professional help In this practical effective and compassionate book Levy helps people take control of their alcohol problem by teaching them how to think about and address their drinking habits Beginning with a set of self assessments that reveal whether the reader s use of alcohol is creating problems Levy explains the causes of problem drinking discusses the growing recognition of the various ways an alcohol use disorder can show itself and talks about why it is so difficult to change Offering advice for choosing between moderating your drinking or abstaining altogether he also touches on coping with slipups fighting helplessness and the fear of failure and knowing when moderation is not achievable The book is unique in that instead of telling people what they need to do it meets people at their stage of change and level of readiness to change and helps them decide for themselves what they need to do Drawing on the latest scientific evidence this new edition includes a chapter on the concept of self medication a useful but at times overused idea a chapter on the concurrent use of drugs particularly cannabis during recovery an exploration of modern strategies for dealing with drinking including technology apps that count drinks for example and medications that curb alcohol consumption reflections on the use of

stigma communication strategies for individuals seeking to share their struggle with others an exploration of common triggers additional worksheets and tips to achieve success further material about self help programs and insights about the dark side of addiction treatment Ultimately Take Control of Your Drinking empowers people to tackle their drinking problem and gives them the freedom to do so in a way that fits with their own lifestyle and values This book is useful for anyone who may find that they are drinking too much for the loved ones of such people and for clinicians who want to broaden their skills when working with people who struggle with alcohol *Psychology A Level Book 2: The Complete Companion Student Book for Eduqas and WJEC* Cara Flanagan,Katherine Cox,Rhiannon Murray,Jenny Hill,Rob Liddle,2016-09-01 The Complete Companions for Eduqas WJEC A Level Psychology Year 2 has been written by experienced Psychology authors and examiners working with market leading author Cara Flanagan Packed with essential study and exam preparation features these student books have been fully revised to address the requirements of this new specification from WJEC Eduqas including new studies and topics such as positive Psychology and extended evaluation of studies The engaging accessible and comprehensive exam focused Complete Companions approach now available for the Eduqas specification Matched to the new specification ensuring students achieve their full potential Designed for co teaching AS and full A Level courses Computer Applications for Anthropologists Margaret S. Boone,John J. Wood,1992
