The New Answers Book 2 Ken Ham, 2008 Ham explores 21 exciting and faith affirming topics including the fall of Lucifer and the origin of evil when life begins and why that matters early biblical figures evolution and more **The New Answers Book Volume 2** Ken Ham, 2008-05-01 What happens when you have more hot questions on the Bible and creationism than you can answer in one book You create a second volume The New Answers Book 2 explores over 30 exciting and faith affirming topics including The fall of Lucifer and the origin of evil When does life begin and why does it matter Is evolution a religion and why should I care Archaeology Egyptian Chronology and the great flood Could early biblical figures like Noah really live to over 900 years of age What was the Star of Bethlehem and how did the wise men follow it The Evolutionization of our culture including intelligent design gay marriage Hollywood movies and more Explore these and other topics answered biblically and logically in this book from the world's largest apologetics ministry Answers in Genesis Contributors include Ken Ham Dr Andrew Snelling Dr Jason Lisle Dr Elizabeth Mitchell Dr Danny Faulkner Mike Riddle and more Creationism and Anti-Creationism in the United States Tom Kaden, 2018-09-20 This book deals with professional creationist and anti creationist organizations in America and describes how the conflict between science and religion is the result of the interaction between these two groups It retraces their history from the 1960s onwards and identifies crucial turning points that led to new forms of creationism and anti creationism It explains their strategies labels and arguments as effects of this history and structure Taking a field theoretical approach the book avoids problems of prior creationism research making it possible to identify the mechanisms through which creationism generates new strategies arguments and media output The field model is used as an interpretive tool to make sense of some of the most important creationist and anti creationist publications and media statements *Preaching to Convert* John Fletcher, 2013-11-13 Preaching to Convert offers an intriguing new perspective on the outreach strategies of U S evangelicals Author John Fletcher frames these activities from door to door proselytizing to the spirited sermons of superstar televangelists as examples of activist performance broadly defined here as acts performed before an audience in the hopes of changing hearts and minds Most writing about activist performance has focused on left progressive causes events and actors and if evangelicals have appeared at all they often appear as one dimensional forces of ignorance or bigotry against which brave left leaning activists must fight Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U S evangelicalism as a movement defined by its desire to win converts and spread the gospel In other words evangelicals are activist performers par excellence The book positions evangelicals as a diverse complicated group confronting the loss of conservative Christianity's default status in twenty first century U S culture In the face of an increasingly secular age evangelicals have been reassessing models of outreach In acts like handing out Bible tracts to strangers on the street or going door to door with a Bible in hand in elaborately staged horror themed morality plays or multi million dollar creationist

discovery centers in megachurch services beamed to dozens of satellite campuses and in controversial ex gay ministries striving to return gays and lesbians to the straight and narrow evangelicals are redefining what it means to be deeply committed in a pluralist world The book s engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields
