Schreiner, 2025-04-15 In the Schreiner household

conversations about creation evolution and ecology happen more often than normal Schreiner teaches biblical studies and his brother in law is a biologist And both teach at institutions of Christian higher education However when Schreiner's family was able to take a trip to Galapagos Islands in 2023 and 2024 his interpretive conclusions on the Bible's creation texts

shifting positions on ecology and general moral responsibility as a Christian collided in a palpable way Inspired by a range of experiences from mingling with sea lions to taking water ferries across the Pacific to snorkeling with sharks Schreiner jovially shares experiences and musings that testify to his shifting positions on these matters his frustrations with the usual conversations and whether he thinks there can be true irenic conversation between Christians and scientists Informed blunt sometimes snarky but always honest Schreiner s musings will likely resonate with anyone who travels with their family or wants to be honest about the many variables that must inform a Christian s position on issues of creation evolution and ecology

The True Account of Adam & Eve Ken Ham,2012 When you unlock the door to biblical compromise the door gets pushed open wider with each generation The Church is now debating the validity of Genesis as actual history the reality of hell itself and even if Adam was a real person Trying to change the biblical time line to fit with the secular concepts of millions of years has led many in Christian academia to reject the literal interpretation of the Bible itself Perfect for children the book helps them discover the truth about the first man and woman and how their disobedience led to the need for Jesus Christ

Deep Time in Genesis Steven R. Webb,2016-03-31 The early chapters of Genesis have generated a battleground between people that believe the Earth is very young on the order of 6000 years and those that believe it is much older What has been mostly missing from this battle are the observations of professional Christian geologists Webb invites you to join his world to see the kind of work that geologists do that leads them to draw certain conclusions on this subject It is written in laymen s language and is designed to unite a variety of issues ranging from Noah s Flood to dinosaurs to early hominids to the Garden of Eden etc while maintaining the integrity of Scripture

The God of Monkey Science Janet Kellogg Ray,2023-10-10 How to hold true to your faith and embrace modern science Ever since the Scopes Monkey Trial in the early twentieth century American evangelicals have considered scientists public enemy 1 But this antipathy to modern science turned deadly during the COVID 19 crisis when white evangelicals snubbed precautions and vaccines Herself an evangelical Christian and a science educator Janet Kellogg Ray explains how we got here and how to fix it As the follow up to *Baby Dinosaurs on the Ark* this lively volume covers evolution as well as the coronavirus pandemic vaccines climate change and the frontiers of genetic research Ray explains the facts accessibly and with verve Along the way she vividly narrates the scientific achievements and political and religious drama that got us to where we are today Ultimately Ray calls for evangelicals to speak to science rather than deny it We need Christian ethics now more than ever to determine how best to act in light of current scientific data and for love of neighbor If you re afraid of science hurting your faith this book will show you how to be true to both International Society for Science and Religion ISSR Book Prize on Science and Religion Long List 2024 Sojourners Best Books List 2023

[She's Not Your Enemy - Includes Ten-Session Video Series](#) Jenn Schultz,2023-09-05 Find freedom from jealousy and insecurity as you rest in your true worth and identity in God Complete with reflection questions journaling space and accompanying teaching videos *She s Not Your Enemy* helps you move beyond

habits of self protection and create a culture of community Sometimes the women in our lives feel like enemies The colleague who threatens your position at work The friend who talks behind your back The woman who seems to have it all together while you are barely hanging on But the real enemy is the one who is trying to defeat you with lies that lead to isolation insecurity and division She s Not Your Enemy equips us to battle Satan s deception through the solid truth of God s Word Popular blogger and podcast host Jenn Schultz comes alongside us to explore How we find true joy when we recognize our unique roles in God s kingdom What we lose when we see other women as competition What to do about envy jealousy people pleasing and perfectionism Why we will never be enough on our own and why that s great news How our view of God affects our view of ourselves and others When we find our worth and identity in God we can cultivate empathy and compassion for those we have labeled as the enemy including the woman in the mirror and live with greater joy Presented by Esther Press Books for Courageous Women

Filter Bubbles and Targeted Advertising The New York Times Editorial Staff,2019-07-15 Over a decade ago tech companies began using algorithms to personalize our experience of the web Using sophisticated technology and vast amounts of consumer data companies began to predict our tastes better than we could ourselves In response ecommerce expanded and journalism adapted itself to the personalized attention economy However there was a hidden side effect which Eli Pariser termed the filter bubble which is the exclusion of other perspectives from our tech assisted preferences Raising many hard questions including data security political propaganda and the pervasiveness of digital junk food filter bubbles reveal the future challenges of a personalized automated web Features such as media literacy questions and terms enhance this collection encouraging readers to analyze reporting styles and devices

First-Century Christians in Twenty-First Century Africa Nathan P. Devir,2022-02-28 Millions of African Christians who consider themselves genealogical descendants of one of the Ten Lost Tribes of Israel in other words Jewish by ethnicity but Christian in terms of faith are increasingly choosing a religious affiliation that honors both of these identities Their choice Messianic Judaism Messianic adherents emulate the Christians of the first century observing the Jewish commandments while also affirming the salvational grace of Yeshua Jesus As the first comparative ethnography of such fulfilled Jews on the African continent this book presents case studies that will enrich our understanding of one of global Christianity s most overlooked iterations

The Arrogance of Religious Thought: Information Kills Religion William A. Zingrone,2016-10-05 A provocative challenging and irreverent expose of the obnoxious arrogance inherent in all religious thinking condemning one another to eternal torment relegating women and gays to second class citizenship dividing humanity into arbitrary factions sexual repression denial of knowledge promoting delusions of god and the afterlife upholding phony patriarchal authority claiming eternal truth without evidence and child indoctrination Religion is not good for the human race We would be better off dropping these bad habits on which we give religion a free pass We must stop lying to our children that religions are true Dr Zingrone is a college instructor and secular activist with a PhD in Developmental Psychology exploring research interests in

cognitive development and evolution His driving motivation is to dispel outdated religious based ideas about human nature that are ingrained in the folk beliefs of our modern culture **Hopeful-ish** Scarlet Hiltibidal,2025-10-01 Can the gospel hold up against the hard stuff of life Stuff like deep sadness disappointments doubts overwhelm weariness and if you re Scarlet Hiltibidal and her kiddos even donkey attacks In her third book Hopeful ish and in her trademark hilarity vulnerability and honesty Scarlet answers this question with stories and Scripture that cry out a resounding yes **Weird Earth** Donald R. Storie,Barbara Deutschmann,Michelle

Eastwood,2024-01-03 Reading the Bible in Australia invites reflection about how the Bible matters to Australia Contributors probe intersections between vital debates about Australian identity who we have been and aspire to become and the Bible bringing a range of perspectives to critical themes indigeneity colonization and migration landscape biodiversity and climate gender and marginality economics ideology and rhetoric Each chapter explores the past and present influence of a biblical text or theme Some offer fresh contextually and ethically informed readings All interrogate the wider outcomes of reading the Bible in different ways Given the tragic consequences of how it has been used historically and sometimes still is some Australians would exclude the Bible and its interpreters from public debate Yet as Meredith Lake s *The Bible in Australia* demonstrates a degree of biblical literacy along with critical skill in evaluating how the Bible has been taken up and interpreted in our history can only help Australians grapple well with the choices Australia faces Love it or hate it there is no getting around the reality that the Bible and how it is read still matters

Ethics, Law and the Business of Being Human Charles Foster,2025-09-02 This book presents an inquiry into the sort of creatures we are If we don t know what we are we can have no idea how to behave or thrive either as individuals or as a society This book in a series of short essays addresses the most fundamental question facing each of us We are not here long how then should we live as individuals and as members of society Philosophers and lawyers have long asked the question but their answers are often garbled and they have not learned a language in which to talk to one another The Academy which should lead the debate is often too riddled with presumption and systemic dysfunction to be either useful or interesting Foster surveys the academic and legal landscape critically and suggests how some of the ills can be remedied

Defending Inerrancy Norman L. Geisler,William C. Roach,2012-01-01 According to the authors the doctrine of inerrancy has been standard accepted teaching for more than 1 000 years In 1978 the famous Chicago Statement on inerrancy was adopted by the Evangelical Theological Society and for decades it has been the accepted conservative evangelical doctrine of the Scriptures However in recent years some prominent evangelical authors have challenged this statement in their writings Now eminent apologist and bestselling author Norman L Geisler who was one of the original drafters of the Chicago Statement and his coauthor William C Roach present a defense of the traditional understanding of inerrancy for a new generation of Christians who are being assaulted with challenges to the nature of God truth and language Pastors students and armchair theologians will appreciate this clear reasoned response to the current crisis
