Dwivedi, This book provides a complete and comprehensive coverage of the managerial economics syllabus of Gautam Buddha Technical University. It includes both the basic microeconomics theories and some important aspects of macroeconomics including inflation, growth, and business cycles. The subject matter is presented in a precise and lucid manner. Economic laws and theories have been explained and illustrated by applying graphical and algebraic tools of analysis and also illustrated with appropriate real life examples. Review questions have been provided at the end of each chapter for students to test their own understanding of managerial economics. *Managerial Economics and Finance in Agribusiness* Mr. Rohit Manglik, 2023-01-10 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources. Specializing in competitive exams and academic support, EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels. MANAGERIAL ECONOMICS, Third Edition NADAR, E. NARAYANAN, VIJAYAN, S., 2020-06-01 Managerial Economics has assumed a predominant role in today's globalized and liberalized economy because of the financial implications of many decisions that a manager has to take in his day to day professional life. This comprehensive and student friendly book strives to equip the young practising and budding

managers to find solutions to the real world problems through the efficient and effective use of economic tools and techniques. The authors who admirably combine academic and professional experience give a clear and straightforward analysis of the various topics in managerial economics. The text begins with an overview of managerial economics and describes the modern business firm and its objectives along with the concepts of market mechanism, demand theory and production analysis. The text then moves further to explain managerial techniques, macroeconomic theory and international trade and finance along with the risks and uncertainties involved in business. Besides, it also explains the cost and revenue, supply, pricing, profit and investment analyses. Finally, this book discusses some important Case Studies to reinforce the concepts presented in the text. The third edition of the book comprises multiple choice questions with answers at the end of each chapter to test the understanding of the concepts discussed in the chapter. Besides the objectives, strategies and initiatives of the twelfth five year plan 2012-2017 of Planning Commission as well as a new section on Replacement of Indian Planning Commission with NITI Aayog have been incorporated in the chapter on Macroeconomic Analysis. Intended as a text for postgraduate students of Management, Commerce and Economics, the book would also be useful for undergraduate engineering courses where Managerial Economics is offered. Finally, the book can be profitably used by marketing and management consultants, business executives and other related professionals.

KEY FEATURES Includes several simple numerical examples with solutions for easy understanding of theory. Contains a large number of tables and figures to illustrate the concepts. Provides chapter end exercises to check students' comprehension of the subject.
