**Quotations in the New Testament** Crawford Howell Toy,1884 No proof is needed of the value of the quotations in the New Testament It is obvious that they help us very greatly to understand the material and the character of the New Testament thought They furnish a connecting link between the two great religious creations of the Hebrew race Israelitism and Christianity Old Testament and New Testament though substantially identical in their religious conceptions represent very different conditions of civilization and culture they are separated from each other not only by centuries of time but also by great social and political changes Throughout these changes however the sacred volume of the nation the Old Testament preserved its authority as divine revelation and supreme law of faith and life for the Christian evangelists and apostles as well as for the Jewish rabbis How then we naturally ask do the expounders of the new religious movement deal with the sacred books of their nation the writings of the ancient prophets and priests and sages What is their method of interpretation How do they understand the instructions exhortations and predictions of the past How do they fit the old order of things into the new It is the quotations that give us answers to these questions Preface

**Evil, Anger, and God** Milton Crum,2008-05 Evil in Scripture denotes both suffering and behavior that causes it Anger often follows suffering Anger at people is condemned but anger at God is accepted because biblical faith portrays God as inflicting evil This faith calls for an understanding of language about God acting and a biblical theodicy revealing God s goodness both are provided Portrayals of God as inflicting evil do not deny that factually humans inflict it so the witness about human sin is included Final chapters offer biblical deliverances from evil
