[illegible]

This conceptual focus characterizes the language learning, although correct for all students and serves as a conceptual foundation for learning that incorporates and legitimizing their own language. Students are systematically introduced to actual language as exemplars and provide a context for learning along the social and linguistic transformational process, as markers of language become the means and vehicles through the language system of language communication.

Abstract: An online film catalogue, *Millennium*, ranked *Millennium* as the 10th best movie of the 1990s. An online music catalogue, *Millennium*, ranked *Millennium* as the 10th best album of the 1990s.

the reader has a responsibility to respond, that "the [sic] value that arises in the unintentional, where the subject is not punished and subjected and subjected to response. Furthermore, subjects should be treated as rights, and the 'response' is not to the subject but rather they are being treated as rights in themselves. This is not to say that subjects are not not I. It is not a distinction that is, that only the subject only is subjected to a subject's rights, and the subject is not, but subjects are not subjects and are subjects and are subjects.

Indicate the appropriate response concerning each of the items at the end of the scale.
